Jonathan Edwards Samuel Willard Crompton, 2009 Edwards was a major figure in the Great Awakening religious movement that spread throughout the colonies of North America in the eighteenth century **Eloquence Is Power** Sandra M. Gustafson, 2012-12-01 Oratory emerged as the first major form of verbal art in early America because as John Quincy Adams observed in 1805 eloquence was POWER In this book Sandra Gustafson examines the multiple traditions of sacred diplomatic and political speech that flourished in British America and the early republic from colonization through 1800 She demonstrates that in the American crucible of cultures contact and conflict among Europeans native Americans and Africans gave particular significance and complexity to the uses of the spoken word Gustafson develops what she calls the performance semiotic of speech and text as a tool for comprehending the rich traditions of early American oratory Embodied in the delivery of speeches she argues were complex projections of power and authenticity that were rooted in or challenged text based claims of authority Examining oratorical performances as varied as treaty negotiations between native and British Americans the eloquence of evangelical women during the Great Awakening and the founding fathers debates over the Constitution Gustafson explores how orators employed the shifting symbolism of speech and text to imbue their voices with power *A Complete Collection of State-trials, and Proceedings for High-treason, and Other Crimes and Misdemeanours* Francis Hargrave, Thomas Salmon, Sollom Emlyn, 1776 **A Terrifying Grace** Rob Yule, 2017-04-28 Romance and sexual intimacy are among life's highest joys How we handle our sexuality is an ultimate challenge particularly in today's sexualised global culture Rob Yule looks at a fascinating selection of romantic relationships from throughout Christian history from Augustine Abelard and Heloise and the Luthers to Billy and Ruth Graham and Pope Saint John Paul II Illustrating how challenging and far from straightforward the relationship of men and women is in real life he draws many insights for relationships and marriage today A Terrifying Grace explores the romantic relationships of leading Christians throughout history and how they handled sex and marriage What were their relationships and marriages like What did they believe or teach about sexuality and marriage Did their marriages or celibate lives live up to their professed beliefs How did they handle the joys pains temptations and responsibilities of their intimate relationships alongside their public life and witness Even great Christians have struggled to handle their intimate relationships We can learn much from them how to live with integrity in today's hypersexualised culture *Religious Melancholy and Protestant Experience in America* Julius H. Rubin, 1994-01-06 This original examination of the spiritual narratives of conversion in the history of American Protestant evangelical religion reveals an interesting paradox Fervent believers who devoted themselves completely to the challenges of making a Christian life who longed to know God's rapturous love all too often languished in despair feeling forsaken by God Ironically those most devoted to fostering the soul's maturation neglected the well being of the psyche Drawing upon many sources including unpublished diaries and case studies of patients treated in nineteenth century asylums Julius Rubin's

fascinating study thoroughly explores religious melancholy as a distinctive stance toward life a grieving over the loss of God's love and an obsession and psychopathology associated with the spiritual itinerary of conversion The varieties of this spiritual sickness include sinners who would fast unto death evangelical anorexia nervosa religious suicides and those obsessed with unpardonable sin From colonial Puritans like Michael Wigglesworth to contemporary evangelicals like Billy Graham among those who directed the course of evangelical religion and of their followers Rubin shows that religious melancholy has shaped the experience of self and identity for those who sought rebirth as children of God **Threefold Gold** Ray

Comfort, 2012-12-17 **Threefold Gold** is a collection of quotes and commentary compiled by Ray Comfort from three well known Christian classic writers Jonathan Edwards Dwight L Moody and Charles H Spurgeon This book is developed from Moody Gold and Spurgeon Gold which were compiled by Ray Comfort The section on Edwards however is brand new and it is filled with material that presents the gospel clearly and forthrightly The emphasis of this book is upon personal evangelism Here's an example of what you will find in the section of this book related to Spurgeon Any man who declared children to be born perfect was never a father Your child without evil You without eyes you mean This is followed by a comment from Ray Comfort Understanding the true nature of sin is the key to raising children for Christ There are quotes and comments throughout the book by all three writers plus commentary by Ray Comfort **Threefold Gold** is written for every believer who wants to see souls saved It provides a clear perspective on evangelism along with practical advice for soul winners The fruit of righteousness is a tree of life and he that winneth souls is wise Proverbs 11:30 Spur der toten Mädchen Michael
