

## Lord of the Flies – Chapter Comprehension Questions

### Chapter 1

1. How did the boys end up on the jungle island?

The plane that was evacuating the boys was shot down and it crashed on the jungle (deserted) island.

2. Describe Ralph's physical features and also his reaction to being on the island. List at least three attributes.

Ralph is described as a fair boy. He's an English 12 year old. He has a leader type presence. He has the physical appearance and attractiveness that attracts the attention of others and leads them to the belief that he would have a leadership role. He does handstands and jumps into a lagoon, showing his carefree and adventurous mindset. He has the mindset of "no parents!"; he is enjoying the environment.

3. Describe Piggy's physical features and also his reaction to being on the island. List at least three attributes.

Piggy is described as fat and short. He has poor eyesight so he wears glasses. He also has asthma so he cannot run very fast. He is not like Ralph where he wants to have fun; instead, he wants to gather everyone and organize the group. More responsible. He is also reluctant about Ralph's father, who is in the Navy, saving them from the island.

4. How does Ralph respond to Piggy's practical suggestions to have a meeting?

Ralph ignores it. He is more focused on the Piggy nickname. Piggy had the idea to use the conch to gather everyone. (Ralph kinda stole the idea to use the conch and blowing into it to gather everyone).

5. How does Ralph think they will be rescued?

He believes that once his father, who is in the Navy, leaves the battlefield, he will rescue them. Piggy thinks that this rescue plan is unrealistic as the airport is blown up so no one knows that the boys are abandoned. Piggy has a more logical thinking as he realizes that no one has information about their whereabouts, so he is a bit reluctant to believe Ralph's father would rescue them.

6. What had Piggy overheard the pilot saying?

Donahue-Ochoa,2019-08-19 It is often said that we live under systems of injustice But if so who ought to combat them and why Many in the world s liberal elite hold that only the perpetrators or the victims have such duties because of their special connections to the injustice Others hold that all of the privileged have them because they have duties to relieve suffering or to redress their complicity in the injustice This book challenges those answers It argues that everyone living under such injustices ought to combat them victim perpetrator and bystander alike Moreover they all have the same reason for doing so such injustices suppress everyone s resistance to their workings But there is a name for such suppression authoritarianism Hence such injustices make everyone unfree because they subject everyone to authoritarian tactics The book thus reinterprets and defends a core doctrine of the global left No one is free while others are oppressed For it shows how oppression subjects everyone including you to arbitrary power The book argues that systematic injustice occurs when one group finds that its political voice is unjustly marginalized its members exploited and subject to systematic violence and that society s dominant norms unjustly favor a privileged group It diagnoses three global injustices of this kind gender race and poverty It then shows how such injustices always suppress everyone s resistance to them making everyone unfree But if so it argues then this shared unfreedom should be the ground on which victims bystanders and perpetrators unite in solidarity against injustice
