Attraction Explained Viren Swami, 2015-12-22 How much does appearance matter in the formation of romantic relationships Do nice guys always finish last Does playing hard to get ever work What really makes for a good chat up line When it comes to relationships theres no shortage of advice from self help experts pick up artists and glossy magazines But modern day myths of attraction often have no basis in fact or worse are rooted in little more than misogyny In *Attraction Explained* psychologist Viren Swami debunks these myths and draws on cutting edge research to provide a ground breaking and evidence based account of relationship

formation At the core of this book is a very simple idea there are no laws of attraction no foolproof methods or strategies for getting someone to date you But this isn't to say that there's nothing to be gained from studying attraction Based on science rather than self help cliches *Attraction Explained* looks at how factors such as geography appearance personality and similarity affect who we fall for and why Love Leslie Becker-Phelps, Megan Kaye, 2016 Uses psychological research to help readers find and maintain a loving relationship
