Loyalty And Disloyalty By Dag Heward Mills:

Loyalty and Disloyalty Dag Heward-Mills, 2008-07-30 Dag Heward Mills uses his practical experience in the ministry and writes about the huge impact loyalty and disloyalty have in churches. He uses the Lighthouse churches which he founded as an example because many people wonder how it is possible to sustain churches that are all over the world with him being in Ghana. He says that much of the system depends on loyalty. The ministers are loyal to the Lord to him and to the Lighthouse vision and that is why it works. Find everything about loyalty and disloyalty in this book and how to recognize a loyal or disloyal assistant but also about the good fruit of loyalty. Surely it is God's desire that a pastor become a leader who has a purpose and is consistent in his personal life and ministry. With this book leaders will have the needed tools to achieve victory and confidence. This book has been praised by many pastors and church leaders and words such as life changing book, tremendous impact and apostolic foundation have been used to describe Loyalty and Disloyalty. Dag Heward-Mills, 2006. Though a primary requirement of God for leaders, very little has been written on this subject. In this book, Dag Heward Mills outlines very important principles with the intention of increasing the stability of churches. He supernaturally heard the words "From now on you can teach." This supernatural call is what has ushered him into a worldwide ministry. Today his Healing Jesus Crusades are conducted throughout the world with thousands in attendance and many accompanying miracles. These phenomenal miracles attested to by medical doctors have included the opening of the eyes of the blind, the restoring of hearing to the deaf, the emptying of wheel chairs and even the raising of the dead. His radio, TV, and internet programs reach millions around the world. Other outreaches include pastors and ministers conferences and the renowned Anagkazo Bible and Ministry Training Center.
