F. Stanford,2014-05-27 Luke s People seeks to understand the men and women who met Jesus and the apostles as they are described in the Gospel of Luke and in the Acts of the Apostles in the way that Luke who wrote these works intended This socio historical literary study seeks to interpret Luke s writings in the light of the time when they were written on the basis that Luke was a skilled writer who wrote what he meant and meant what he wrote It argues that Luke s depiction of women has been grossly misunderstood and finds that this misunderstanding may be

due to a widespread attempt around the end of the first century to impose a patriarchal system of governance upon the church Luke's People shows that Luke did not share such a patriarchal viewpoint but instead always presents Christian women as autonomous and agentic It also finds that this patriarchal interpretation both distorts Luke's presentation of the rich and powerful who are shown to receive their authority from the devil and obscures the way in which the love of money corrupts men in his story

The Holy Spirit and Public Life Mark J. Cartledge, 2022-04-04 The Holy Spirit and Public Life offers a masterful analysis of the intersections between pneumatology and public theology as well as contemporary Christianity and secular society Examining issues from race to domestic violence with compassion as well as critical rigour Mark J Cartledge one of the UK's leading authorities on the Pentecostal Charismatic Movement skilfully anchors his argument in both the biblical text and insight and empirical data from the contemporary world His deep appreciation of the many ways in which the Christian faith inspires and empowers transformative social engagement will motivate and mould the rising commitment among Pentecostals and Charismatics to live the gospel in the public square in the power of the Spirit Finally Cartledge proposes that the church engage with society by being truthful with love This posture provides the integrating center for the life of the church and its mission in the world

Come, Lord Jesus! Stephen Motyer, 2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22:20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

The Message of Love Patrick Mitchel, 2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our

contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups **The Message of Love** will help you to see how the Bible s unified teaching on this vital theme can impact your life today

All Things in Common Roman A. Montero, 2017-04-25 *All Things in Common* gets behind the communism of the apostles passages in Acts 2 42 47 and 4 32 37 using the anthropological categories of social relationship espoused by David Graeber and other anthropologists Looking at sources ranging from the Qumran scrolls to the North African apologist Tertullian to the Roman satirist Lucian *All Things in Common* reconstructs the economic practices of the early Christians and argues that what is described in Acts 2 42 47 and 4 32 37 is a long term widespread set of practices that were taken seriously by the early Christians and that differentiated them significantly from the wider world This book takes into account Judean and Hellenistic parallels to the early Christian community of goods as well as the socioeconomic context from which it came and traces its origins back to the very teachings of Jesus and his declaration of the Jubilee This book will be of interest to anyone interested in Christian history and especially the socioeconomic aspects of early Christianity as well as anyone

interested in Christian ethics and New Testament studies It would also be of interest to anyone interested in possible alternatives to the ideology of capitalism

Insurgence Frank Viola, 2018-06-05 Why does the allegiance that radical terrorists give to their false cause exceed the allegiance that most Christians today give to Jesus Christ In *Insurgence* bestselling author Frank Viola presents a radical proposal for Christians Namely that we have lost the explosive earthshaking gospel of the kingdom that Jesus Paul and the other apostles preached Viola argues that we've lost this dynamic titanic living gospel and exchanged it for a gospel of religious duty or permissiveness and easy believism In today's politically charged era Christians on the progressive left as well as the conservative right both equate their particular viewpoints with the kingdom of God Viola challenges and dismantles these perspectives offering a fresh and revolutionary look at the gospel of the kingdom Viola writes with gripping power challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom This high octane message is being reclaimed today launching a spiritual insurgence

A Light to the Nations Michael W. Goheen, 2011-04-01 There is a growing body of literature about the missional church but the word missional is often defined in competing ways with little attempt to ground it deeply in Scripture Michael Goheen a dynamic speaker and the coauthor of two popular texts on the biblical narrative unpacks the missional identity of the church by tracing the role God's people are called to play in the biblical story Goheen shows that the church's identity can be understood only when its role is articulated in the context of the whole biblical story not just the New Testament but the Old Testament as well He also explores practical outworkings and implications offering field tested suggestions for contemporary churches

Luke for Everyone: Bible Study Guide Tom Wright, 2011-07-22 Who was Luke Was he one of Paul's companions Was he a doctor We do know that he was educated and cultured writing for people far away from where Jesus lived In his Gospel we find the foundation of our Christmas stories and the best loved parables those of the Prodigal Son and the Good Samaritan We see Jesus concern for the poor and the marginalized especially women and children And it's Luke who tells us of the repentant thief on the cross and of the risen Jesus accompanying the people on the road to Emmaus In these twenty six studies we discover Luke's aim to present the good news of Jesus as clearly and unambiguously as he can The guides in this series by Tom Wright can be used on their own or alongside his New Testament for Everyone commentaries They are designed to help you understand the Bible in fresh ways under the guidance of one of the world's leading New Testament scholars
