Lekt re *We'll Always Have Paris* Harvey Levenstein,2010-03-15 For much of the twentieth century Americans had a love hate relationship with France While many admired its beauty culture refinement and famed joie de vivre others thought of it as a dilapidated country populated by foul smelling mean spirited anti Americans driven by a keen desire to part tourists from their money *We'll Always Have Paris* explores how both images came to flourish in the United States often in the minds of the same people Harvey Levenstein takes us back to the 1930s when despite the Great Depression France continued to be the stomping ground of the social elite of the eastern seaboard After World War II wealthy and famous Americans returned to the country in droves helping to revive its old image as a wellspring of sophisticated and sybaritic pleasures At the same time though thanks in large part to Communist and Gaullist campaigns against U S power a growing sensitivity to French anti Americanism began to color tourists experiences there strengthening the negative images of the French that were already embedded in American culture But as the century drew on the traditional positive images were revived as many Americans again developed an appreciation for France s cuisine art and urban and rustic charms Levenstein in his colorful anecdotal style digs into personal correspondence journalism and popular culture to shape a story of one nation s relationship to another giving vivid play to Americans changing response to such things as France s reputation for sexual freedom haute cuisine high fashion and racial tolerance He puts this tumultuous coupling of France and the United States in historical perspective arguing that while some in Congress say we may no longer have french fries others like Humphrey Bogart in *Casablanca* know they will always have Paris and France to enjoy and remember *Bancroftiana* ,1950 Pianist James Gollin,2010-01-01 **Dear Nan** Emily Carr,Nan Cheney,Humphrey N. W. Toms,1990 This collection includes 150 letters Emily Carr wrote to her friends Nan Cheney and Humphrey Toms and 100 other letters relating mainly to Emily Carr The letters date from 1930 to 1945 the most prolific period in Carr s career as both painter and writer In them she writes in colourful detail about her everyday activities and discusses her painting the biggest thing in my life There are outbursts of exasperation and anger as well as many indications of her caring her warmth her wisdom and her wit and of her impatience with critics and poseurs and they give insights into her various relationships with among others Lawren Harris Ira Dilworth Jack Shadbolt Garnett Sedgewick Dorothy Livesay A Y Jackson and Arthur Lismer Nan Cheney and Humphrey Toms shared Emily Carr s interest in art Carr s relationship with Cheney dated back to 1930 but did not flourish until 1937 when Cheney moved from Ottawa to Vancouver to become the first full time medical artist at UBC Humphrey Toms was only twenty years old when he first met Emily Carr having asked to visit her after seeing some of her paintings following which a warm friendship developed The correspondence between Cheney and Toms reveals how Carr was regarded at the time and attests to their mutual interest in the Vancouver art scene As an active member Cheney relates gossip about the local art community providing a very personal and often exceedingly critical view of the Vancouver art milieu of the time Doreen Walker has chosen not to change the original text of the letters and includes Carr s misspellings and grammatical irregularities which

give a feeling of immediacy to the writing There are numerous examples of her talent for graphic description how she felt rag rug level when depressed and how she was sat down with a spank when ill Perhaps most significant are the many revelations of her deep commitment to her work and of her industry and perseverance despite her failing health Queer how we go on she wrote to Cheney luck there is so much rubber in human composition Van Gogh's Ear Bernadette Murphy,2016-07-12 In December 1888 Vincent van Gogh cut off his ear It is the most famous story about any artist in history But what really happened on that dark winter night In Van Gogh s Ear Bernadette Murphy reveals the truth She takes us on an extraordinary journey from major museums to forgotten archives vividly reconstructing Van Gogh s world We meet police inspectors and caf patrons prostitutes and madams his beloved brother Theo and fellow painter Paul Gauguin Why did Van Gogh commit such a brutal act Who was the mysterious Rachel to whom he presented his macabre gift Did he really remove his entire ear Murphy answers these important questions with her groundbreaking discoveries offering a stunning portrait of an artist edging towards madness in his pursuit of excellence BBC RADIO 4 BOOK OF THE WEEK PRIMETIME BBC2
