**The Film Novelist**

Dennis J. Packard, 2011-09-08 *The Film Novelist* is the first primer on writing film novels whether you are a beginning novelist a seasoned writer wanting to cross over into script novel writing or a creative writing teacher looking for proven ways to launch new writers So what is the difference between a screenplay and a film novel Screenplays indicate solely what the audience is to see or hear on screen Film novels are short and take about as long to read as a feature film takes to watch The description dialogue and narration of a film novel can simply be lifted out and used as the description dialogue and voice over narration for a script The author has devised a fifteen week program starting from a one sentence pitch to the novel itself which includes filming a scene from your script novel He grounds the discussion of early film novels like *The Maltese Falcon* *Of Mice and Men* and *The Misfits* to provide historical and theoretical background while detailing the practical sequential approach for completing a short novel and script

**Between the Lines** Jessica Page Morrell, 2006-04-11 Effective storytelling stems from many elements the most crucial of which are unseen or blended in so unobtrusively that they are difficult to spot and analyze Still they are necessary to the wholeness and coherence of a story to create a work that lingers and resonates in the reader's imagination In *Between the Lines* author and writing instructor Jessica Page Morrell shows you how to craft a unified and layered novel or short story by mastering subtle storytelling techniques such as Using emotional bombshells surprises and interruptions to intensify cliffhangers Enlarging your story world through the use of layered subplots Building suspense one scene at a time to maximize the emotional payoff Anchoring your premise to your protagonist's character arc Transitioning into and out of flashbacks without interrupting the mood of your story Detailed instruction combined with examples from well known authors turn seemingly complex topics like subtext revelations misdirection and balance into comprehensible techniques that will elevate your writing to the next level
