**EBOOK: Management Control Systems: European Edition** Robert Anthony, Vijay Govindarajan, Frank Hartmann, Kalle Kraus, Göran Nilsson, 2013-04-16 Management Control Systems helps students to develop the insight and analytical skills required of today's managers. Students uncover how real world managers design, implement and use planning and control systems to implement business strategies. The first European edition is specifically aimed at an international audience and it has been thoroughly updated to include the latest developments in the field.

**Management Control Systems** Robert Newton Anthony, Vijay Govindarajan, 2001 Management Control Systems 10 e builds on strengths from prior editions by offering a rich diversity of cases balanced with current material. The primary market for Management Control Systems is an MBA level elective in control systems. The text may also be appropriate for advanced managerial accounting courses and/or MBA level cost accounting courses with an emphasis on management control. The text is organized to develop insights and analytical skills related to how managers go about designing, implementing and using planning and control systems to implement strategies.
