Living The Godly Life:

A Disciple's Dilemma Timothy L. Brinkley,2013-03-21 A Disciple's Dilemma is a collection of inspiring and encouraging sermons The book is actually four books in one Each book is a sermon series focusing on the challenges that Christians face It is a must have for preachers and teachers Each chapter is a sermon that can be preached directly from the book

Beyond the Mountain Elaine C. Mount, 2008-08 Do you ever wonder why you are so afraid What happened that made you afraid for many years Did you feel scared or doubt God's love for you even though you tried so hard to please him Have you suffered severe depression panic attacks low self esteem feelings that made you feel unworthy Have you been housebound afraid to go out Are you being controlled by scary thoughts of doom Do you allow others to control you Do you need other s approval to make you feel good about yourself This book takes you on one woman s journey to search for answers to all these questions and more But she soon discovered while reaching out for help in overcoming panic attacks and depression that God was allowing her to be set free from those things that had her bound Read how Elaine overcame victoriously after many years of panic attacks and depression but how she discovered something in her journey that she had been searching for all her life Elaine Mount has always loved writing in her journals and writing poetry She is retired from the Wilson County Schools where she held jobs as Bookkeeper Secretary and Registrar She is a member of the Lebanon Wilson County Chamber of Commerce where she is on the Ambassadors Committee She is a member of Wilson One an organization for enablement of working woman paid and non paid to provide networking opportunities as well as a volunteer at UMC Hospital She was facilitator at Counseling Services of Tennessee in Domestic Violence Issues in Honest Anger Management and Parenting classes Elaine has been married to her husband Glen for 38 years and they have two grown married children and three grandchildren She has been an active member at Hillcrest Baptist Church in Lebanon for many years She has taught Sunday school for many years to children and adults alike Building Your Life on the Principles of God: the Solid Foundation Anthony Bright Atwam, 2014-12-18 Lord please continue to have mercy on humanity You have made provisions for everything we need in this world and the world to come Yet many people although desire good life are suffering some are confused others are desperate families are broken down our nation is struggling to cope many people are lost in spiritual matters and sin In this book the authors main argument is that God in his unfailing love for humanity has already provided what people are frantically seeking in life What people need to do is to turn to the Holy Scriptures for guidance This book can be of such help You see when life is calm our foundations dont seem to matter But when crisis come our foundations are tested In this book the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation Jesus describes Gods principles as a solid foundation for people to build their lives on We are strangers in this world therefore we need someone who knows the journey of life to guide us God is the creator of this world and He alone knows the in and out of this world His principles provide guidance for a perfect life The attempts by some groups of people to suppress the

knowledge of God in the society have not been very helpful in many ways although they could not succeed For example these people could not provide the society with any viable alternative guiding principles on how people should live their lives This has led many people to turn to wrong sources for guidance sometimes with very little success or no success at all leading to a life of despair hopelessness and failure Because of this suppression of Gods word there seems to be famine in our society famine of truth famine of the word of God There is also darkness in our society many people are confused and some do not know what to do with their lives But the word of God is light its gives understanding it gives hope it provides guidance on spiritual matters the salvation of the human soul and solutions to all our problems Sometimes life is easier and beautiful if you know what to do in any situation you find yourself Many people desire a good family life peace joy hope self discipline strength encouragement a connection with a higher being that transcends human existence and meaning to life in their spiritual quest As you read this book know that I am praying for you for all these blessings in Jesus name amen Anthony Bright Atwam According to scripture the church is the salt and the light of this world But the church seems to have locked the resources God has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering One of the things the church needs to do is to start to unpack and release the resources God has given her to meet the needs of postmodern spiritual quest Anthony Bright Atwam The Christian Life Series Rayola Kelley, 2013-05-01 Did you ever just want to read a book about the Christian life that would explain how it would express itself in the life of believers The Christian Life Series is comprised of three books that are separated according to themes to show believers what the Christian life is all about and how it will express itself The first book What Matter Is This deals with the matters that establish the foundation of the Christian faith such as salvation love grace faith and holiness The second book The Challenge of It addresses that which challenges this incredible walk by establishing that it is a matter of knowing God properly investing in a relationship with Him accepting His invitation disciplining attractions and letting go of the past The final book The Reality of It reveals how the Christian life will express itself in our walk It unveils the spiritual man defines what it means to be a disciple and what it entails to walk in the light in order to adhere to what we have been predestined to fulfill This is a book that every serious minded follower of Jesus will not only want to read and study but to meditate on in order to gain the nuggets of truth that have been interwoven into each presentation The Gospel-Filled Wallet Jeff Weddle, 2010-03-29
