**Financial Freedom** Grant Sabatier, 2019-02-05 The International Bestseller New York Public Library's Top 10 Think Thrifty Reads of 2023 This book blew my mind More importantly it made financial independence seem achievable I read Financial Freedom three times cover to cover Lifehacker Money is unlimited Time is not Become financially independent as fast as possible In 2010 24 year old Grant Sabatier woke up to find he had 2.26 in his bank account Five years later he had a net worth of over 1.25 million and CNBC began calling him the Millennial Millionaire By age 30 he had reached financial independence Along the way he uncovered that most of the accepted wisdom about money work and retirement is either incorrect incomplete or so old school it's obsolete Financial Freedom is a step by step path to make more money in less time so you have more time for the things you love It challenges the accepted narrative of spending decades working a traditional 9 to 5 job pinching pennies and finally earning the right to retirement at age 65 and instead offers readers an alternative forget everything you've ever learned about money so that you can actually live the life you want Sabatier offers surprising counter intuitive advice on topics such as how to Create profitable side hustles that you can turn into passive income streams or full time businesses Save money without giving up what makes you happy Negotiate more out of your employer than you thought possible Travel the world for less Live for free or better yet make money on your living situation Create a simple money making portfolio that only needs minor adjustments Think creatively there are so many ways to make money but we don't see them But most importantly Sabatier highlights that while one's ability to make money is limitless one's time is not There's also a limit to how much you can save but not to how much money you can make No one should spend precious years working at a job they dislike or worrying about how to make ends meet Perhaps the biggest surprise You need less money to retire at age 30 than you do at age 65 Financial Freedom is not merely a laundry list of advice to follow to get rich quick it's a practical roadmap to living life on one's own terms as soon as possible

**Flipping a Switch: Your Guide to Happiness and Financial Security in Later Life** Barbara O'Neill, 2020-07-30 Leaving full time employment to enter retirement often requires a 180 degree change in mindset and behavior from the way you managed your time and money previously This is especially true for Baby Boomers who may have never experienced adult life without a full time job and have been practicing the same habits since their 20s These life transitions can be looked at as if they require flipping a switch Some changes happen suddenly like an on off switch while others happen over time like a dimmer switch Some switches are voluntary like spending accumulated savings while some are mandatory like taking required

minimum distributions starting at age 72 And to make matters more confusing there are also lifestyle and social changes to consider as well Flipping a Switch discusses 35 financial lifestyle and social transitions you ll encounter upon entering retirement including Full time work to new pastimes Saving money to spending money Receiving a paycheck to creating a paycheck Funding retirement savings plans to taking required minimum distribution withdrawals Accumulating possessions to downsizing Everyone has unique switches to flip Flipping a Switch Your Guide to Happiness and Financial Security in Later Life offers important information and guidance new retirees need before undertaking their new life Each chapter includes a How to Flip This Switch section with suggested action steps Nationally known speaker author and Certified Financial Planner Dr Barbara O Neill will help you develop a plan to become your best future self [Unlock Your Potential](#) Jeff Lerner, 2022-08-02 Wall Street Journal Bestseller Publishers Weekly Bestseller We all know the world has changed dramatically in the 21st century The opportunities that defined past generations and steered their course through life aka The American Dream just aren t out there for us anymore Today 54% of college graduates regret choosing to invest in a degree over 70% of Americans detest their jobs part of why they change jobs every 20 months on average and 2 out of 3 of Americans will never be able to stop working and retire But what are we supposed to do Is there an alternative to the system of systems we live in school college debt job different job more different jobs 401K pension retire hopefully but probably not And if there is an alternative can it really work for everyone regardless of where they currently are in the system Is there something else out there that works equally well for the 18 year old deciding whether or not to go to college the 45 year old questioning his her career path the 65 year old who is way short of being able to retire and anyone else feeling dazed and confused in the modern world In Unlock Your Potential author and entrepreneur Jeff Lerner answers those questions with a resounding YES He shows readers how the failings of our education employment and retirement systems have opened doors most people didn t even know exist And most important he ll show YOU how to step through those doors where they exist how they work what it takes to go through them and what s on the other side Jeff is the founder and Chief Vision Officer of ENTRE Institute the world s fastest growing education company and the first institute of higher learning dedicated to entrepreneurialism Now he is sharing his story and lessons learned from his own rags to riches journey from a broke musician to a 100 million entrepreneur In this book you ll discover digital real estate an asset that generates income builds wealth and supports any life you choose to live along with strategies any employee business owner retiree child etc can use to escape the broken system and create their dream life in the modern world Let Unlock Your Potential serve as the blueprint a master key to unlocking your full potential and living a life no one told you was possible Herein lies the key for anyone anywhere in the world to escape the broken system and create a quality of life that was unimaginable a generation ago
