## **Making Movies:**

**Making Movies** Sidney Lumet, 2010-09-01 ONE OF THE HOLLYWOOD REPORTER S 100 GREATEST FILM BOOKS OF ALL TIME Invaluable I am sometimes asked if there is one book a filmgoer could read to learn more about how movies are made and what to look for while watching them This is the book Roger Ebert The New York Times Book Review Why does a director choose a particular script What must they do in order to keep actors fresh and truthful through take after take of a single scene How do you stage a shootout involving more than one hundred extras and three colliding taxis in the heart of New York s diamond district What does it take to keep the studio honchos happy From the first rehearsal to the final screening Making Movies is a master s take delivered with clarity candor and a wealth of anecdote For in this book Sidney Lumet one of our most consistently acclaimed directors gives us both a professional memoir and a definitive guide to the art craft and business of the motion picture Drawing on forty years of experience on movies that range from Long Day s Journey into Night to Network and The Verdict and with such stars as Katharine Hepburn Paul Newman Marlon Brando and Al Pacino Lumet explains how painstaking labor and inspired split second decisions can result in two hours of screen magic Making Movies Laura K. Murray, 2024-08-01 Movies are a popular form of media and today it is easier than ever for people to film their own This title explores the history and future of filmmaking as well as the equipment skills challenges and marketing strategies involved in filming and distributing movies It also looks at the differences between big budget movies and independent films Features include a glossary references websites source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO *Die Filmkultur des Making-of* Felix Hasebrink, 2024-05-23 Filmen sieht man nicht vollst ndig an wie sie gemacht wurden Einblicke in ihre Herstellung liefern jedoch andere Filme Making of Filme ber Filmproduktion die sich bis ins fr he Kino zur ckverfolgen lassen Making of breiten sich in der post kinematografischen Medienkultur des fr hen 21 Jahrhunderts explosionsartig aus Felix Hasebrink analysiert ihre Formen und Verbreitungswege in unterschiedlichen Kontexten Dokumentarfilm Home Video Social Media und Festivalkino In dieser Perspektive sind Making of weitaus mehr als filmindustrielles Marketing sie machen darauf aufmerksam wie das Medium Film heute seine eigenen Produktionsbedingungen sthetisch bearbeitet Making Movies Black Thomas Cripps, 1993-05-20 This is the second volume of Thomas Cripps s definitive history of African Americans in Hollywood It covers the period from World War II through the civil rights movement of the 1960s examining this period through the prism of popular culture Making Movies Black shows how movies anticipated and helped form America s changing ideas about race Cripps contends that from the liberal rhetoric of the war years marked as it was by the propaganda catchwords brotherhood and tolerance came movies that defined a new African American presence both in film and in American society at large He argues that the war years more than any previous era gave African American activists access to centers of cultural influence and power in both Washington and

Hollywood Among the results were an expanded black imagery on the screen during the war in combat movies such as Bataan Crash Dive and Sahara musicals such as Stormy Weather and Cabin in the Sky and government propaganda films such as The Negro Soldier and Wings for this Man narrated by Ronald Reagan After the war the ideologies of both black activism and integrationism persisted resulting in the message movie era of Pinky Home of the Brave and No Way Out a form of racial politics that anticipated the goals of the Civil Rights Movement Delving into previously inaccessible records of major Hollywood studios among them Warner Bros RKO and 20th Century Fox as well as records of the Office of War Information in the National Archives and records of the NAACP and interviews with survivors of the era Cripps reveals the struggle of both lesser known black filmmakers like Carlton Moss and major figures such as Sidney Poitier More than a narrative history Making Movies Black reaches beyond the screen itself with sixty photographs many never before published which illustrate the mood of the time Revealing the social impact of the classical Hollywood film Making Movies Black is the perfect book for those interested in the changing racial climate in post World War II American life
