## **Malice Danielle Steel:**

**Malice** Danielle Steel, 2009-12-01 At seventeen on the night of her mother's funeral Grace Adams is attacked. A young woman with secrets too horrible to tell with hurts so deep they may never heal. Grace will not tell the truth about the attack. She is beautiful enough for men to want her but after a lifetime of being a victim now she must pay the price for other people's sins. From the depths of an Illinois women's prison to a Chicago modelling agency and from there to a challenging career in New York Grace carries the past with her wherever she goes. In healing her own pain she reaches out to battered women and children who live a nightmare she knows only too well. When Grace meets Charles Mackenzie a New York lawyer she has found a man who wants nothing from her except to heal her to hear her secrets and to give her the family she so desperately wants. But with happiness finally within her grasp Grace is at her most vulnerable in danger of losing everything to an enemy from her past. An enemy bent on malice. Danielle Steel has written an extraordinary women's story with rare insight and power. Portraying the struggle to triumph over malice and betrayal she transforms a life of pain into a blessing for others. Revealing both the stark reality of domestic abuse and the healing power of love. Malice is more than powerful fiction. It is a piece of life. *Malice/Danielle Steel*, 2010. In Malice her 37th potboiler the gloves come off. Life is no fairy tale for teenager Grace Adams. The preternaturally quiet and dowdy daughter of Watseka's favorite son lawyer John Adams and his lovely cancer stricken wife Ellen Grace has an ugly little secret that she's kept for four years. When her father brutally rapes her following her mother's funeral Grace kills him. Only 17 years old she faces the death penalty in a town all too willing to perpetrate the fiction of John Adams even when it means prison for Grace. Upon release two years later Grace heads for Chicago where life starts looking up when she finds a job as a receptionist in a downtown modeling agency. Unfortunately Grace encounters an unscrupulous photographer and a slimy parole officer. As soon as her parole is over Grace escapes again running to New York City to disappear among the hordes. Working as a secretary in a law firm she's asked to work for a partner. After a rocky start Charles Mackenzie and Grace establish a comfortable routine. But when Grace is brutally beaten by the husband of a woman in the crisis center where she volunteers Charles is at her side constantly arranging for the finest medical care and talking her out of her coma. Love blooms as Grace slowly recuperates. Finally whole again inside and out Grace and Charles marry and start a family. Life couldn't get much better as Charles enters politics and Grace tends to their growing family. But when tabloids release the story of Grace's sordid past and explicit photos of Grace taken while she was drugged their family is left reeling with Charles's campaign in shambles and Grace's life crumbling around her. Danielle Steel doesn't even pretend that Malice is a piece of romantic fiction but loyal fans will happily make the transition as she charts a new course. *The Wedding* Danielle Steel, 2009-12-01 Simon Steinberg and Blaire Scott are one of the most respected couples in Hollywood. They have defied the Hollywood cliché together for decades with three children who are successful and happy.
