How I Became Stupid Martin Page, 2004-11-30 Ignorance is bliss or so hopes Antoine the lead character in Martin Page's stinging satire *How I Became Stupid* a modern day *Candide* with a Darwin Award like sensibility A twenty five year old Aramaic scholar Antoine has had it with being brilliant and deeply self aware in today's culture So tortured is he by the depth of his perception and understanding of himself and the world around him that he vows to denounce his intelligence by any means necessary in order to become stupid enough to be a happy functioning member of society What follows is a dark and hilarious odyssey as Antoine tries everything from alcoholism to stock trading in order to lighten the burden of his brain on his soul *Citizenship and Crisis in Contemporary Brazilian Literature* L. Lehen, 2013-04-10 Considering how literary texts address the transformations that Brazil has undergone since its 1985 transition to democracy this study proposes that Brazilian contemporary literature is informed by the struggle for social civil and cultural rights and that literary production has created spaces for historically disenfranchised communities **The Secret Lives of People in Love** Simon Van Booy, 2010-02-23 Breathtaking chillingly beautiful like postcards from Eden Van Booy's stories are somehow like paintings the characters walk out of and keep walking Los Angeles Times In his critically acclaimed debut collection of short stories *The Secret Lives of People in Love* Simon Van Booy explores the sway of fate and power of memory on the lives of lonely and vulnerable people With the same spare economical prose that he brought to his subsequent collection *Love Begins in Winter* winner of the 2009 Frank O'Connor Short Story Award Van Booy creates a profoundly humane and somber resonance with the assured hand of a first rate storyteller Newsday *The Secret Lives of People in Love* announces the arrival of a major new voice in fiction How I Became Stupid Martin Page, 2004-12-01 Ignorance is bliss or so hopes Antoine the lead character in this stinging satire who has had it with being brilliant and deeply self aware He vows to denounce his intelligence by any means necessary in order to become stupid enough to be a happy functioning member of society in this dark and hilarious odyssey **Library Journal**, 2004 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately The Angel Chronicles Gd Thompson Sr, 2013-03 The time was the great rift between fallen angels as humans it was the supposed time of the great freedom when there were no rules on earth And that time was when earth wasn't even called earth It was nothing to them and something in the same moment The fallen angels almost had the same kind of planet as Aubrahteery which they gave up It was warm and lit all the time There was no darkness no coldness and no desolation Until their dark hearts took over and began to change their surroundings What the fallen angels also didn't realize was that their new home verged changing with the reality of the darkness lying in the root of their hearts The fallen angels didn't realize that darkness and negativity carried a lot more dead weight with it which is ultimately what forged the slowing planet with all the fallen angels as humans upon her surface **The Runes** James Flowerdew, 2021-09-28 What are the Runes and are they actually good for

magic In *The Runes A Grounding in Northern Magic* author illustrator and artist James Flowerdew brings together a lifetime of learning and experiences with the Runes Complete with a unique set of illustrations *The Runes* is a great beginner's guide to this writing system which was also and can still be used for magical purposes Full of direct references to genuine ancient texts as well as ripping yarns poignant anecdotes and a good dose of humour this book attempts to demonstrate not just the surface of Rune magic but the underlying principles and culture that inform them alongside some general magical practice *The Runes* are much more than a historical alphabet They are a key to the wisdom of the ancient peoples who used them in language life and magic with these surviving writings not only clarifying these uses but providing at least the bones of what you need to use them yourself today A mixture of elegant and coarse gentle and gritty sombre and witty the Runes are not to everyone's taste but they echo a very real and relatable cosmology A world view that doesn't hide the warts but that finds plenty worth loving at the same time Step into the world of the Runes on steady feet and start a spiritual journey from which you may never wish to turn back
