Sturgeon,Alma B. Allen,2014-05-12 Life and death struggles a common thread that connects us as human beings are vividly revealed in this inspirational and unforgettable true story as told by a mother and her daughter of their babies born with life threatening birth defects Swept away on an uncharted and treacherous journey one thing clearly emerges God the ultimate thread that held them together through their darkest hours was waiting for them there He gave them beauty for ashes the oil of joy for mourning and the garment of praise for the spirit of heaviness so He might be glorified through their babies life and death struggles Isaiah 61 3b At every bend in the road lives were forever changed The baby boy unable to ever speak a word about what he endured in his fight for life went to his grave never knowing what a giant impression his tiny handprint had left on every heart he touchedleaving this world a better place than he found it For the little girl the veil separating Heaven and Earth was lifted Mommy I see an angel Hoping to get a glimpse her mommy searched the hospital room eagerly Where do you see an angel her mommy asked She pointed overhead Up there in the corner of my room one angel with big pink wings Although her mommy didnt see the Heavenly being together they felt the comfort of its presence On their timeless journey of faith hope and love their loving God went with them through it all healing hearts changing lives sharing their deepest sorrows and sending his angels to comfort and help them Their stories formed in the crucible of life and death struggles were transformed by the grace of God into a thing of beauty He hath made every thing beautiful in his time Ecclesiastes 3 11a KJV      Catalog of Copyright Entries Library of Congress. Ivy Press,2006-03      **The 30-Day Journey to Loving the Woman in Me** Reyna Joy Banks,2020-01-22 What is keeping you from falling in love with you You may not be able to answer this question just yet but I challenge you to write it down in your journal and when it comes to the appointed time You will be able to answer this question and allow God to restore all that was lost so you can begin to love again and most of all love you just the way you are The 30 Day Journey to Loving the Woman in Me is a day by day process to help you take the steps necessary to be released into loving you in the way that is needed in order to be free healed and able to love others all around you past your own understanding Most of you are thinking I do love myself I love me some me I am all for me and I take care of me I can go on and on about what you think loving yourself is My question to you now is How do you know you truly genuinely and whole heartedly love you Before you answer that question take a look back on your past seasons in life and even some of your current seasons in your life Step by step and day by day I with God's guidance will help you get to that place by taking you on a journey of understanding the truth of what it takes to truly and wholeheartedly loving you You may not want to go to certain places emotionally but if you really want a change to come you have to go to some of the most uncomfortable darkest places and moments that tainted your love for you and the love that God is offering to you and allow God to shine his light on each wound and each scar so you can be wiped clean and set free to love and be loved for eternity      From Across the Pond Michael T. Bellinger,2023-09-14 About the Book The instant attraction and love that Matthew Baldwin and Chloe Singh feel for each other during their first in person meeting at the beginning of *From Across the Pond* fuels the rapid development of their relationship The couple's past romantic relationships with their friend Kelly Bonner along with other temptations add wrinkles and drama to their story As all of these relationships develop evolve and become interconnected they rub against the grain of societal and family norms which creates drama and some suspense in the novel It is hopeful that readers will be able to see folks of different skin colors and ethnicities folks in the LGBTQ community and folks in interracial relationships in a more favorable and positive light It's time to let go of the fear that breeds the mistrust and hate and to embrace one another as equal members of the human race It's time to recognize that regardless of skin color ethnicity religious affiliation and sexual orientation no matter how big or small the contribution everyone has something positive to offer to society and civilization About the Author Despite having been declared legally blind for the past twenty years Michael T Bellinger has a Bachelor's degree in Accounting and a Master's in Education He has worked in public accounting as a CPA and in a parochial school as a volunteer classroom teacher
