Gary Roberts Black Van 5:

The Ore Knob Mine Murders Rose M. Haynes, 2013-09-21 How could the peace and quiet of Ashe County North Carolina in the mountains at the Virginia Tennessee corner turn into a nightmare of crime and drugs and the old copper mine itself become a dumping ground for the dead In 1982 two bodies had been chipped from an icy grave and brought up from the 250 foot mine shaft where they had been thrown while still alive Now there were rumors of 21 bodies still down there If the mine was ever re opened what would they find copper or bodies Murder drugs prostitution and gangs come together in the history of the Ore Knob Mine A small Appalachian community became the heart of a vicious drug ring ruled by the Outlaws motorcycle gang from Chicago Ashe County made national headlines when a police informant came forward confessing that he had pushed a man alive into the Ore Knob Mine shaft This book is the full story

The Oxford Handbook of the South African Economy Arkebe Oqubay, Fiona Tregenna, Imraan Valodia, 2021-11-18 While sharing some characteristics with other middle income countries South Africa is a country with a unique economic history and distinctive economic features It is a regional economic powerhouse that plays a significant role not only in southern Africa and in the continent but also as a member of BRICS However there has been a lack of structural transformation and weak economic growth and South Africa faces the profound triple challenges of poverty inequality and unemployment Any meaningful debate about economic policies to address these challenges needs to be informed by a deep understanding of historical developments robust empirical evidence and rigorous analysis of South Africa s complex economic landscape This volume seeks to provide a wide ranging set of original detailed and state of the art analytical perspectives that contribute to scientific knowledge as well as to well informed and productive discourse on the South African economy While concentrating on the more recent economic issues facing South Africa the handbook also provides historical and political context It offers an in depth examination of strategic issues in the country s key economic sectors and brings together diverse analytical perspectives
