Enoch The Ethiopian The Lost Prophet Of The Bible Pdf:

Enoch, the Ethiopian Indus Khamit Cush,2000 Enoch the Ethiopian Patriarch and Prophet Greater than Abraham Holier than Moses is the first perfect human being in the bible and the first immortal man according to Moses the lawgiver Gen 5 18 22 24 And yet he has been kept a secret until the printing of this revealing book *The Lost Prophet* Margaret Barker,1988 The lost prophet Margaret Barker,2005 *The Book Of Enoch The Prophet* Richard Laurence,2019 In the Authorized Version of the Epistle of Jude we read the following words Enoch also the seventh from Adam prophesied of these saying Behold the Lord cometh with ten thousands of his saints to execute judgment upon all and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed and of all their hard speeches which ungodly sinners have spoken against Him Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible *The Book of Enoch the Prophet* Enoch,2015-09-11 The book of Enoch is one of the strangest of the books left out of the Biblical canon Filled with goetic angels and demons and visions of inconceivable lands beyond the sky The Book of Enoch the Prophet Translated by the late Richard Laurence Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic 1 interpretation of Genesis v 24 Were the prophecies of Enoch therefore accepted as a Divine revelation on that momentous day when Jesus explained the Scriptures after his resurrection to Jude and his apostolic brethren and have we moderns betrayed our trust by excluding an inspired record from the Bible Reverting to the second century of Christianity we find Iren us and Clement of Alexandria citing the Book of Enoch without questioning its sacred character Thus Iren us assigning to the Book of Enoch an authenticity analogous to that of Mosaic literature affirms that Enoch although a man filled the office of God s messenger to the angels Tertullian who flourished at the close of the first and at the beginning of the second century whilst admitting that the Scripture of Enoch is not received by some because it is not included in the Hebrew Canon speaks of the author as the most ancient prophet Enoch and of the book as the divinely inspired autograph of that immortal patriarch preserved by Noah in the ark or miraculously reproduced by him through the inspiration of the Holy Spirit

Tertullian adds But as Enoch has spoken in the same scripture of the Lord and every scripture suitable for edification is divinely inspired let us reject nothing which belongs to us It may now seem to have been disavowed by the Jews like all other scripture which speaks of Christ a fact which should cause us no surprise as they were not to receive him even when personally addressed by himself These views Tertullian confirms by appealing to the testimony of the Apostle Jude The Book of Enoch was therefore as sacred as the Psalms or Isaiah in the eyes of the famous theologian on whom modern orthodoxy relies as the chief canonist of New Testament scripture Origen A D 254 in quoting Hebrew literature assigns to the Book of Enoch the same authority as to the Psalms In polemical discussion with Celsus he affirms that the work of the antediluvian patriarch was not accepted in the Churches as Divine and modern theologians have accordingly assumed that he rejected its inspiration but the extent to which he adopts its language and ideas discloses personal conviction that Enoch was one of the greatest of the prophets Thus in his treatise on the angels we read We are not to suppose that a special office has been assigned by mere accident to a particular angel as to Raphael the work of curing and healing to Gabriel the direction of wars to Michael the duty of hearing the prayers and supplications of men 2 From what source but assumed revelation could Origen obtain and publish these circumstantial details of ministerial administration in heaven
