There are two methods: **Direct characterization** = When the writer states or describes a character's traits. **Indirect characterization** = When the writer shows a character's personality through his or her actions, thoughts, feelings, words, and appearance, or through another character's observations and reactions.

**cliché** = Trite or overused expression or idea, like *wise as an owl*, *be there for someone*, *he didn't know his own mind*, *see the writing on the wall*, *making the best of it*.
