*Hour of the Heart* Irvin D. Yalom, Benjamin Yalom, 2024-12-10 A deeply moving and revealing

chronicle from one of the most prominent psychotherapists of our time of working under wholly new circumstances and the challenges and breakthroughs he's made as he takes on patients for one hour one time only. Facing memory loss at age 93 as well as the fallout from a pandemic that moved much of daily life online, legendary psychotherapist and bestselling author Irvin Yalom was forced to vastly reconsider the shape of his sessions with patients. But rather than throw in the towel in the face of change, Dr. Yalom considered the limitations imposed by these new realities head-on and revolutionized his practice. Dr. Yalom wondered if perhaps his own practice could focus deeply on the work that could be achieved in a one-hour one-time meeting between patient and practitioner, employing an even more concerted use of his here-and-now approach. As he began these one-time sessions, the beloved veteran therapist found himself freed to reach ever deeper places with new patients on a shortened timeline without the buffer of future appointments. In *Hour of the Heart*, Yalom recounts some of these intense life-changing consultations, exploring an array of human predicaments and his own late-career development as a therapist. In recounting these consultations, he shows how a therapist's willingness to be open themselves helps the patient let down their own guard, leading to a deeper and more immediate connection, one necessary to achieve profound realizations in just sixty minutes. Life is precious, and our time together short. *Hour of the Heart* shows us how to relate to each other better in the moment, with more honesty and vulnerability. That hour of connection, occurring during a time of isolation and grief for so many, helped to sustain both patient and therapist and enriched Yalom's vision of what psychotherapy can do. This transformative account of a new way of connecting and sharing is for all of us looking to build relationships with greater immediacy, authenticity, and openness in every area of life.

[Love's Executioner](#) Irvin D. Yalom, 2013-04-04

Love's Executioner offers us the humane and extraordinary insight of renowned psychiatrist Irvin D. Yalom into the lives of ten of his patients and through them into the minds of us all. Why was Saul tormented by three unopened letters from Stockholm? What made Thelma spend her whole life raking over a long past love affair? How did Carlos's macho fantasies help him deal with terminal cancer? In this engrossing book, Irvin Yalom gives detailed and deeply affecting accounts of his work with these and seven other patients. Deep down, all of them were suffering from the basic human anxieties: isolation, fear of death, or freedom, a sense of the meaninglessness of life that none of us can escape completely. And yet, as the case histories make touchingly clear, it is only by facing such anxieties head-on that we can hope to come to terms with them and develop. Throughout, Dr. Yalom remains refreshingly frank about his own errors and prejudices; his book provides a rare glimpse into the consulting room of a master therapist. Dr. Yalom demonstrates once again that in the right hands, the stuff of therapy has the interest of the richest and most inventive fiction. *Eva Hoffman*, *New York Times*. These remarkably moving and instructive tales of the psychiatric encounter bring the reader into novel territories of the mind, and the landscape is truly unforgettable. *Maggie Scarf*. Love's Executioner is one of those rare books that suggests both the mystery and the poetry of the psychotherapeutic process. The best therapists are at least partly poets. With this riveting and beautifully written book, Irvin Yalom has joined

their ranks Erica Jong Dr Yalom offers a valuable insight into the delicate process of therapy Sunday Telegraph Dr Yalom is unusually honest both with his patients and about himself Anthony Storr Yalom is a gifted storyteller and from the sound of these tales a no less gifted psychotherapist Los Angeles Times
