Change Mari Jones,Ishtla Singh,2013-09-13 In this student friendly text Jones and Singh explore the phenomenon of language change with a particular focus on the social contexts of its occurrence and possible motivations including speakers

intentions and attitudes Presenting new or little known data the authors draw a distinction between unconscious and deliberate change The discussion on unconscious change considers phenomena such as the emergence and obsolescence of individual languages whilst the sections on deliberate change focus on issues of language planning including the strategies of language revival and revitalization movements There is also a detailed exploration of what is arguably the most extreme instance of deliberate change language invention for real world use Examining an extensive range of language situations Exploring Language Change makes a clear but often ignored distinction between concepts such as language policy and planning and language revival and revitalization Also featured are a number of case studies which demonstrate that real life language use is often much more complex than theoretical abstractions might suggest This is a key text for students on a variety of courses including sociolinguistics historical linguistics and language policy and planning

Exploring Language in a Multilingual Context Bettina Migge, Isabelle Léglise, 2013 Proposing a new methodological approach to documenting languages spoken in multilingual societies this book retraces the investigation of one unique linguistic space the Creole varieties referred to as Takitaki in multilingual French Guiana It illustrates how interactional sociolinguistic anthropological linguistic discourse analytical and quantitative sociolinguistic approaches can be integrated with structural approaches to language in order to resolve rarely discussed questions systematically what are the outlines of the community who is a rightful speaker what speech should be documented that frequently crop up in projects of language documentation in multilingual contexts The authors argue that comprehensively documenting complex linguistic phenomena requires taking into account the views of all local social actors native and non native speakers institutions linguists non speakers etc applying a range of complementary data collection and analysis methods and putting issues of ideology variation language contact and interaction centre stage This book will be welcomed by researchers in sociolinguistics linguistic anthropology fieldwork studies language documentation and language variation and change

Exploring Language Contact in the Borders of Meghalaya Gordon D. Dkhar, 2025-05-29 This book offers a comprehensive look at language contact within four contact zones of Meghalaya's borderland drawing on insights from the diverse fields of linguistics sociology psychology and cultural studies It examines how languages interact and influence one another in these contact regions resulting in deep multilingual and linguistic interference Insights into the social political and economic factors shaping language convergence provide a holistic understanding to the importance of non linguistic factors that played a vital role in influencing changes in languages Notably the pages of the books also explore language attitudes borrowing and their implication on intergroup relations With recommendations for language preservation and cultural understanding which may apply to similar contact zones around the world the book holds academic and practical value for linguists educators policymakers and individuals interested in linguistic diversity In sum it presents a glimpse into Meghalaya's intricate linguistic landscape in the borderland and the complex relationship between language and culture

Exploring Language through Contrast Tomasz Fojt, Waldemar

Skrzypczak, Sławomir Waciewicz, 2012-11-30 The volume portrays a panorama of recent linguistic research in Poland in terms of comparison and juxtaposition as driving forces in an attempt to grasp descriptive and explanatory aspects of linguistic use and organization The spectrum of contributions spans all the levels of language The constellation of methodological perspectives juxtaposes the generative theory and recent developments in cognitive linguistics synchronic and diachronic perspectives and a measure of freedom has also been allocated to a more traditional structurally oriented and or eclectic spirit The notions of comparison and contrast have become the major force and the common denominator for all contributions in the service of explicating the central and the focal from what appears nebulous A well documented discussion on horizontal bonds between phonological primes and a refreshing new attempt to handle the phonology of Old English i umlaut are complemented with equally illuminating topics in derivational morphology such as grinding diminutives suffix distributional preferences and compound nouns In a similar fashion drawing upon the fundamental phenomenon of dynamic alternating processes syntactic topics focus on such problems as grammatical constructions with locatum verbs the status of English NPN forms and a new typology of Old English verbs Cognitively grounded phenomena are handled with equal zest and range across the vast territory of backstage cognition from the slip of the tongue through novelty of meaning achieved through collocation construction environment to a discussion on the emergence of metaphorical senses in Old English lexical concepts for fire and light This stage inevitably leads us to further juxtapositions championed in the volume embracing subjectification and objectification in viewing arrangement as well as dynamically anchored viewing impositions of the self of the textual narrator The contributions dealing with levels of discourse aspire to bring us closer to goals and norms in politeness and co operation strategies and also to an in depth analysis of stylistic features based on corpora The coda falls onto normative linguistics and thus closes the territory of contrast and juxtaposition It provides an insight into how a reflective thespian and a devoted linguist differ in viewing language without compromising the status and validity of their respective stances *Exploring Language and Society with Big Data* Minna Korhonen, Haidee Kotze, Jukka

Tyrkkö, 2023-11-15 As the legislative bodies of democratic nations parliaments play a fundamental role in society Consequently the linguistic practices observed in parliamentary discourse are of importance to everyone This volume brings together leading researchers in areas of corpus linguistics big data parliamentary discourse and historical linguistics in a truly interdisciplinary exploration at the vanguard of big data and corpus methods with the aim to investigate the intersection between linguistic and social change Making use of both quantitative and qualitative methods the studies included in this volume range from a focus on explicitly linguistic phenomena to topics that contribute to our understanding of language and society more generally It breaks new ground in its critical reflection on the conceptual and methodological challenges of using large corpora of parliamentary discourse to study both the specialised language of parliamentary speech and the societies that the parliaments in question represent and govern Exploring Language Aptitude: Views from

Psychology, the Language Sciences, and Cognitive Neuroscience Susanne M. Reiterer, 2018-10-04 This book presents original empirical data from quantitative and qualitative research studies in the field of language learning aptitude ability and individual differences It does so from the perspectives of Second Language Acquisition psychology neuroscience and sociolinguistics All studies included in the book use a similar and uniform layout and methodology Each chapter contains a study examining factors such as memory personality self concept bilingualism and multilingualism education musicality or gender The chapters investigate the influence of these concepts on language learning aptitude and ability Several of these chapters analyse hypotheses which have never been tested before and therefore provide novel research results The book contributes to the field both by verifying and contesting existent findings and by exploring novel approaches to devising research in the subject area **Exploring Language Variation, Diversity and Change** Marinela Burada, Oana

Tatu, Raluca Sinu, 2021-07-23 While communication is becoming increasingly multimodal verbal language and its use in different communicative situations still hold centre stage in many research circles The articles in this book explore native and second languages from three vantage points syntactic structure their uses in professional settings and second foreign language pedagogy Using different methods and methodologies the contributions here draw on both theoretical and empirical data in order to investigate a series of language internal and language external factors that both account for the structural peculiarities of Romanian and English and have a bearing on its translatability and learnability by students of English as a second language Featuring the hands on experience of teachers and learners in the Romanian context this volume provides useful insights and illustrative examples of relevance to theorists and practitioners in language and communication related fields **Exploring Language Pedagogy through Second Language Acquisition Research** Rod

Ellis, Natsuko Shintani, 2013-07-31 Routledge Introductions to Applied Linguistics is a series of introductory level textbooks covering the core topics in Applied Linguistics primarily designed for those beginning postgraduate studies or taking an introductory MA course as well as advanced undergraduates Titles in the series are also ideal for language professionals returning to academic study The books take an innovative practice to theory approach with a back to front structure This leads the reader from real world problems and issues through a discussion of intervention and how to engage with these concerns before finally relating these practical issues to theoretical foundations Additional features include a glossary of key terms and discussion questions Following the back to front approach of the series the book takes problematic issues in language pedagogy as its starting points These are then examined in terms of second language acquisition Each chapter begins with a look at the pedagogical proposals found in teacher guides and then asks Do these proposals accord with what we know about how languages are acquired Pedagogical topics covered include teaching methods syllabus design explicit instruction comprehension versus production based instruction task based instruction authentic materials the role of the learners first language in the classroom error correction and catering for individual differences Including a glossary of key

terms and questions for discussion at the end of each chapter and assuming no prior knowledge of second language acquisition this is the ideal text for all students studying language teaching methods language teacher education English teaching methodology and second language acquisition modules in advanced undergraduate and postgraduate graduate TESOL and Applied Linguistics courses

Exploring Language Teacher Efficacy in Japan Gene Thompson, 2020-05-14 This book examines language teacher efficacy beliefs focusing on the individual and collective beliefs of Japanese high school teachers It discusses personal and collective dimensions of language teacher efficacy related to personal second language L2 capability instructional L2 efficacy and collective capability towards collaboration The book provides a detailed discussion about the ways in which these beliefs develop and situates the findings within the wider field of teacher efficacy research It helps further understanding of factors that may influence teacher self efficacy and suggests new directions for research to explore in future studies It will appeal to postgraduates and researchers with an interest in language teacher cognition the psychology of language teaching and those in the wider fields of self efficacy teacher efficacy and teacher agency It is also of use to those with an interest in the high school English education system in Japan as well as researchers investigating similar contexts

Exploring Language Change Mari C. Jones, Ishtla Singh, 2005 Presenting new or little known data the authors explore the phenomenon of language change highlighting an often ignored distinction between concepts such as language policy and planning and language revival and revitalization movements

The Piety of John Witherspoon L. Gordon Tait, 2001-01-01 Presbyterian minister John Witherspoon was a key figure politically and religiously in the formative years of the United States In this fresh account of Witherspoon s thought L Gordon Tait focuses on Witherspoon s piety the way Witherspoon believed that the Christian faith should take visible and practical form in ministry politics and everyday obedience and devotion The Piety of John Witherspoon is filled with photographs from Witherspoon s life and Tait s comprehensive treatment of Witherspoon makes a significant contribution to the understanding of his impact on church education and society

Applied Linguistics Li Wei, 2013-09-25 In this complete survey of the theories methods and key findings within applied linguistics students are introduced to core research questions and the various approaches to tackling these Provides a comprehensive introduction to this interdisciplinary field of research and practice dealing with practical issues of language and communication Takes a problem solving approach introducing students to key research questions and guiding them through the various ways of tackling these Features additional study aids throughout including chapter outlines learning objectives key terms research questions and answers study questions and recommended further readings Enables students to identify every day language and communication issues and to draw on their own personal experiences Edited by a leading figure in the field heading up an experienced and interdisciplinary team of contributors from the renowned department of applied linguistics at Birkbeck College University of London resulting in unique combination of knowledge skills and strength from scholars who teach and research together

Exploring Language Introduction

In today's digital age, the availability of Exploring Language books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Exploring Language books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Exploring Language books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Exploring Language versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Exploring Language books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Exploring Language books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Exploring Language books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Exploring Language books and manuals for download have transformed the way we access information. They provide a cost-effective and

convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Exploring Language books and manuals for download and embark on your journey of knowledge?

FAQs About Exploring Language Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
