Facing The Lion:

Food for the Heart Kamran Yaraei, 2009-03 This book is a compilation of 111 messages from Kamran's deep and extraordinary relationship with Jesus Christ. Since his transformation in 2000, Kamran spends much of his time walking and conversing with God. He has faithfully recorded these experiences in journals. Kamran has had many encounters with God. His writings are very unique and simple and will help people connect to God in a fresh way. The main themes are the condition of our hearts, passionate relationships, love beyond what we experience, and much more. These messages are very poetic in nature, coming from an elegant and sensitive heart connection with God. Kamran Yaraei is a former Shiite Muslim from Iran who had an encounter with the love of God through Jesus Christ that totally changed his life. He lives in North Carolina with his wife Suzy. He travels and speaks throughout the nation, relating his encounters with God and encouraging people of all kinds. He has a powerful testimony which includes miraculous events and a deep love for God that is contagious. Many believe that his messages are critically important in helping the church understand the times in which we live. Levinson, 2007 *The Midwest Farmer's Daughter* Zachary Michael Jack, 2012-07-15 From yesterday's gingham girls to today's Google era, Farmer Janes. *The Midwest Farmer's Daughter* explores the resurgent role played by female agriculturalists at a time when fully 30 percent of new farms in the US are woman-owned but when paradoxically America's farm-reared daughters are conspicuously absent from popular film, television, and literature. In this first of its kind treatment, Zachary Michael Jack follows the fascinating story of the girl who became a regional and national legend from Donna Reed to Laura Ingalls Wilder, from Elly May Clampett to *The Dukes of Hazzard*'s Catherine Bach, from Lawrence Welk's TV sweethearts to the tragic heroines of Jane Smiley's *A Thousand Acres*. From Amish farm women bloggers to Missouri homesteaders and seed savers to rural Nebraskan graphic novelists and ultimately to the seven generations of entrepreneurial Iowan farm women who have animated his own family since before the Civil War, Jack shines new documentary light on the symbol of American virtue: energy and ingenuity that rural writer Martha Foote Crow once described as the great rural reserve of initiating force, sane judgment, and spiritual drive. Packed with dozens of interviews, *The Midwest Farmer's Daughter* covers the history and the renaissance of agrarian women on both sides of the fence, giving equal consideration to both agriculture's time-tested rural and small-town Farm Bureaus, 4-H, and FFA training grounds as well as to the eco-innovations generated by the region's rising woman-powered agropolises such as Chicago. The author crafts a lively, easy-to-read cultural and social history exploring the pioneering role today's female agriculturalists play in the emergence of farmers markets, urban farms, community-supported agriculture, and the new back-to-

the land and do it yourself movements For all those whose lives have been graced by the enduring strength of American farm women The Midwest Farmer s Daughter offers a groundbreaking examination of a dynamic American icon *A Catalogue of the Greek Coins in the British Museum: Troas, Aeolis, and Lesbos* British Museum.
