Faith In Grace:

The Works of Aurelius Augustine Saint Augustine (of Hippo),1873 **Testimonials of a Biblical Christian** Daniel Farey,2012-10-18 In the beginning there was no religion Noah had no religion no Bible no Ten Commandments no church yet he was the only righteous man on earth before God flooded the world At the end of days of linear time in the new heaven and new earth of eternity there is no religion no Bible no temple God and Jesus are the temple of eternity and only the righteous will dwell with them Between the Great Flood and the future coming of the new heaven and new earth man has created thousands of religions and sects in the vain attempt to appease God Much of what is preached in church today is a far cry from the true meaning of scripture Attending church has become an entertaining social gathering rather than the original intention edification of the word of God his Holy Bible This book ties together scripture for a common sense understanding of Gods words in the Holy Bible Exposing false interpretations of religion verse manipulated dogma Supportive verses from the King James Holy Bible are inclusive for verification Here is some of what you will learn The exact day of the Rapture Peter was not the first Pope Jesus eight woes against religion The book of Revelation demystified Easter is an ancient pagan holiday Do you really need water baptism The exact date of the crucifixion of Jesus Righteous judgment of your neighbor The final prophet Jesus Dead saints and Christians are not in heaven Saints do not perform miracles 7 essential Christian requirements What is the book of life Is your name on the roster **You've Already Got It! Study Guide** Andrew Wommack,2022-02-01 Whether you are teaching a Sunday school class leading a small group discipling an individual or studying on your own this study guide is designed for you Each lesson consists of the Lesson text Outline Teacher s Guide Discipleship Questions Answer Key and Scriptures As a bonus you can download PDFs of the Outlines Discipleship Questions and Scriptures for each lesson in this study guide **DEMONS&CURSES** Jean TSHIBANGU,2015-04-27 Jean TSHIBANGU as Doctor gives us not only the diagnosis of demonic powers but also spiritual prescription When you live a life of endless deadlocks of continuous drought the chronically ill the abortions or regular miscarriages repeated accidents fines and breakdowns pop up when you deploy many efforts but you give birth a mouse poverty has found home in the family divorce or generalized celibacy do not hesitate to see the spiritual doctors The author tries to answer by this book to many questions commonly asked thereon when darkness taking over on the light and nights of misery are choking the lives of some When the ordinary becomes extraordinary the world seems to turn upside down man in distress needs help the consolation which can only come from the comforter In this book the author expounds the methodology of wrestle against these forces

Repentance Ed Marr,2004-08 This work is written with a law enforcement officer s investigative mindset and from the perspective of a prisoner I discovered through a survey of Christian bookstores that no books were exclusively on or about repentance but most only touched on the topic The only author who had anything to say about repentance beyond a mere mention was Charles G Finney in Finney s Systematic Theology This 600 page work transformed my thinking and influenced

my investigation This book discusses spiritual leadership without bashing any spiritual leader It points out carnality without castigating any particular ministry or denomination Hundreds of illustrations will familiarize the reader with revelations about repentance and carnality These illustrations like parables contain revolutionary truths that are true to Scripture reason and life so that Repentance The Doctrine of God may become one harmonious revelation Warning As you read this book you will encounter deep seated carnality residing within the blackened depths of your soul and it will not want to be exposed But take heart Almighty God will accompany you on this journey for the complete regeneration of your soul

God's Strategy in Human History Paul Marston,Roger Forster,2001-07-01 Forster and Marston have delivered a stellar book that attempts to present an exegetical and Scriptural framework for the content presented in the book Instead of beginning from a set of deductive theological assumptions and then attempting to support that system from Scripture Forster and Marston examine Scripture and attempt to build their case directly from the text The authors unabashedly admit that their views are very similar to those of Arminian and Wesleyan traditions but they state in the beginning of the book that they do not want to be labeled with these names but want to construct a theology that is in line with the teachings of the first 300 years of Christianity Anyone who reads their appendix will come to understand that the teachings presented in this book were the orthodox consensus of the early Church for the first 300 years and that it was Augustine who introduced serious deviations into the mainstream orthodox Christianity of his time Forster and Marston begin by describing the battle that is being waged between God and the spiritual forces that oppose Him They examine the book of Job and see how this relates to the overall struggle Then the authors examine the 9th chapter of Romans to see if this book is dealing with election and individual destinies or God s actions within human history The authors do an excellent job of arguing for their opinion that this chapter is speaking about God s involvement in human history and it deals with God s choosing of one nation or individual over another nation or individual to accomplish His purpose Other sections of interest in this book are the sections on foreknowledge and predestination and the chapters on faith and works The section on faith and works was particularly interesting because it relies on much of the teaching of the new perspective which has shed much light on how a 1st century Palestinian Jew would have approached Scriptural issues The research argumenation and exegesis in this book are solid so every chapter is excellent but the ones mentioned above were two of my favorites Amazon com

Historical Theology: An Introduction Geoffrey W. Bromiley,1987-12-01 Introduces the reader to the views of the most outstanding theologians in the history of Christianity The book s three sections deal with Patristic Theology Medieval and Reformation Theology and Modern Theology

The Theological Class Book William Cogswell,1850 *Short Evening Readings on the Epistles and Revelation* Henry Colclough Burroughs,2023-04-08 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

Lent Through

Eastertide David L. Bartlett, Barbara Brown Taylor, 2010-10-01 Feasting on the Word offers pastors focused resources for Sermon preparation written by companions on the way With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion For each reading preachers will find brief essays on the exegetical theological homiletical and pastoral challenges of the text The page layout is unusual By setting the biblical passage at the top of the page and placing the essays beneath it we mean to suggest the interdependence of these four approaches without granting priority to any one of them Some readers may decide to focus on the Gospel passage for instance by reading all four essays provided for that text Others may decide to look for connections between the Hebrew Bible Psalm Gospel and Epistle texts by reading the theological essays on each one Wherever they begin preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions These authors teach in colleges and seminaries They lead congregations They write scholarly books as well as columns for the local newspaper They oversee denominations In all these capacities and more they serve God's Word joining the preacher in the ongoing challenge of bringing that Word to life We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett Barbara Brown Taylor **Grace's Private War**

Axel I. Carver, 2025-06-13 Behind the manor's walls a mother's love becomes a prison As war rages outside a more dangerous battle unfolds within Some protection is more deadly than the enemy The fog rolls across Jersey's countryside as Grace Blackwood faces her greatest fear her husband's conscription to World War II Within the grand Blackwood manor she creates a fortress of prayer and strict routine convinced she can keep her children safe from the world's evils But as the weeks turn to months Grace's protective instincts twist into something darker Her children Alice and Peter watch as their mother transforms their once warm home into a shadowy sanctuary of religious devotion The manor itself seems to change its familiar corners harboring new threats its shadows deepening with each passing day When Peter begins speaking of a mysterious visitor in the darkness Grace's obsession reaches new heights Can she save her children's souls before her own demons consume them all Grace's Private War is a mesmerizing historical fiction by Axel Carver that delves deep into the human psyche If you're drawn to haunting atmospheres psychological complexity and richly layered historical drama you'll be spellbound by Carver's masterful tale of faith and madness Secure your copy now and step into the shadows of Blackwood manor **The Protestants Evidence, Taken Out of Good Records ... your daily study of God's Word **How to Finish Restoring the Church of Christ** Ron Satzler, 2009-04-15 *Devotions for the Wounded Heart* Dennis Cory, 2011 When Jesus Christ began His earthly ministry He first went out and got baptized and was then led of the Holy Spirit into the wilderness and there was tempted by the Devil Then in the power of the Spirit He began teaching in the synagogues When He came to His hometown of Nazareth and went to church on the Sabbath and stood up to read the elders delivered the book of Isaiah to Him and He opened the book to the place where He read these words The Spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor he hath sent me to heal the brokenhearted to preach deliverance to the captives and recovering of sight to the blind to set at liberty them that are bruised To preach the acceptable year of the Lord Luke 4:18-19 KJV Jesus chose this passage of Scripture because it was known to be a prophecy of the coming Messiah and it is a concise outline of the purpose and ministry calling of our Lord The Holy Spirit living in the hearts of every born again Christian is working to fulfill this Scripture for us all Jesus Christ by the Spirit is also drawing all people to Him for their salvation through the measure of faith which our loving Father God has given to every person It is will of God that no human being perish but that everyone would come to repentance It is therefore His will that we all hear and respond to the gospel that our broken hearts be healed that the chains of our captive bondage be broken that our physical and spiritual eyes be opened and that every bruise and wound we carry be healed That is the theme calling and purpose by which this daily devotional has been inspired to be written The Word of God is clear in that our heavenly Father wants all people to accept His salvation but just as true He wants all to be healed and delivered It is my prayer that this devotional will be used of the Lord to help accomplish this work in your lives Oneness Pentecostal Churches Bruce Tucker, 2002-05-13 There are approximately 111 separate sects and denominations that are classified as Oneness Pentecostal Churches These congregations are found in nearly every city and town in the United States as well as around the world They get their distinctive name from the fact that they do not believe in the orthodox doctrine of the Trinity They believe that all who do believe in the Trinity are spiritually lost because they have adopted a pagan doctrine They differ from other Pentecostals and the rest of the historical church on several important issues earning them the title of a Pseudo Christian Cult by established cult watching organizations and cult experts The book *Oneness Pentecostal Churches* examines the claims doctrines and practices of these fellowships It addresses the issues in a manner comprehensive enough to satisfy the professional minister yet clear enough to meet the needs of laypeople who are seeking answers about this significant movement The questions discussed in the book include 1 Who are Oneness Pentecostals 2 Why are Oneness Pentecostals called the people of the name 3 Is the doctrine of the Trinity really pagan 4 Is there a three step pathway to salvation 5 Does water baptism save 6 Is speaking in tongues required for salvation For those interested in understanding the Oneness Pentecostal movement this book is required reading *The Holy Bible ... With a Commentary and Critical Notes ... by Adam Clarke. A New Edition, with the Author's Final Corrections*, 1836 **The College Student's Introduction to Theology**

Thomas P. Rausch, 1993 Written from a Roman Catholic perspective the book is ecumenical in its approach and reflect the pluralism of contemporary theology in the different viewpoints of its contributors It includes a number of maps charts and a glossary of terms *Christian Baptism* Alexander Campbell, 1851 **Thirty - Four Sermons on the Most Interesting Doctrines of the Gospel** Martin Luther, 1816
