*The Babylon Code* Paul McGuire,Troy Anderson,2015-10-06 What if God embedded a code in the Bible that could only be cracked in the end times a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end time events Unlocking a great mystery that has puzzled scholars for nearly two thousand years THE BABYLON CODE reveals how powerful forces are now at work to create a global government cashless society and universal religion as predicted by the prophets The result of a five year journalistic investigation THE BABYLON CODE takes readers on a spellbinding journey to explore the link between the world s most secret organizations the Bible s greatest prophetic riddle and what world renowned evangelist Billy Graham describes as a convergence in end time signs for the first time in history This prophetic mystery book pieces together the apocalyptic puzzle uncovering what may be not only the biggest story and political scandal in modern history but also the secret to both our survival and our salvation

The Secret Society of Moses Flavio Barbiero,2010-01-19 A radical reexamination of Western history that suggests the descendants of Moses were the architects of the rise of the Roman Church and the ancestors of European aristocracy Answers the inexplicable disappearance of all mention of Moses s descendants from the Bible Reveals the key role played by Josephus Flavius in shaping early Christianity Explains the connection of this secret priesthood to modern secret societies like the Freemasons After the book of Exodus Moses s two sons and numerous descendants all vanish from the Bible Flavio Barbiero s investigation of this strange absence and his study of the centuries long power struggle between the priestly families fighting for control of the Temple of Jerusalem starts with the rebellion against Rome and the emergence of Josephus Flavius one of Moses s descendants on the world stage In AD 70 when the Temple in Jerusalem was destroyed by Titus Flavius and thousands of Jewish priests were exterminated Josephus now bearing his sponsor s last name followed Titus Flavius to Rome

with at least 250 relatives and friends Here they were made Roman citizens but then subsequently disappeared from recorded history Barbiero s careful study of early Christianity shows however that these surviving members of Moses s high priest lineage succeeded in taking control of the nascent Roman Church and masterminded its extraordinary success Using a wide range of evidence drawn from fields as disparate as archaeology heraldry and genetics Barbiero shows how these descendants of Moses used the cult of Mithras to eventually seize control of the secular Roman authority as well He then follows step by step the spread of the members of this secret priestly elite into what was to become the aristocracy of medieval Europe and how their influence continues to be felt in modern secret societies like Freemasonry **The Secrets**

**of Jesus** Jeffrey J. Bütz,2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey B tz author of The Brother of Jesus and the Lost Teachings of Christianity reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In The Secret Legacy of Jesus B tz demonstrates how this centuries old underground stream of Christ s original

teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world [American Freemasonry](#) Alain de Keghel,2017-10-17 Explores the American Masonic system and its strengths and failings Examines the history of Freemasonry in the United States from the colonial era and the Revolutionary War to the rise of the Scottish branch onward Investigates the racial split in American Freemasonry between black lodges and white and how unlike French lodges women are ineligible to become Masons in the U S Reveals the factors that have resulted in shrinking Masonic enrollment in America and explores the revitalization work done by the Grand Lodge of California Freemasonry bears the imprint of the society in which it exists and Freemasonry in North America is no exception While keeping close ties to French lodges until 1913 American Freemasonry was also deeply influenced by the experiences of many early American political leaders leading to distinctive differences from European lodges Offering an unobstructed view of the American system and its strengths and failings Alain de Keghel an elder of the Grand Orient de France and since 1999 a lifetime member of the Scottish Rite Research Society Southern U S jurisdiction examines the history of Freemasonry in the United States from the colonial era to the Revolutionary War to the rise of the Scottish branch onward He reveals the special relationship between the French Masonic hero the Marquis de Lafayette and the Founding Fathers especially George Washington and Benjamin Franklin including French Freemasonry s role in the American Revolution He also explores Franklin s Masonic membership including how he was Elder of the lodge of the Nine Sisters in Paris The author investigates the racial split in American Freemasonry between black lodges and white and how unlike French lodges women are ineligible to become Masons in the U S He examines how American Freemasonry has remained deeply religious across the centuries and forbids discussion of religious or social issues in its lodges unlike some branches of French Freemasonry which removed belief in God as a prerequisite for membership in 1877 and whose lodges operate in some respects as philosophical debating societies Revealing the factors that have resulted in shrinking Masonic enrollment in America the author explores the revitalization work done by the Grand Lodge of California and sounds the call to make Freemasonry and its principles relevant to America once again [The Magus of Freemasonry](#) Tobias Churton,2006-06-27 A comprehensive look at the life of Elias Ashmole who represents the historic missing link between operative and symbolic Freemasonry Explores the true role of occult and magical studies in the genesis of modern science Explains the full meaning of the term magus which Ashmole exemplified Elias Ashmole 1617 1692 was the first to record a personal account of initiation into Accepted Freemasonry His writings help solve the debate between operative and speculative origins of Accepted Freemasonry demonstrating that symbolic Freemasonry existed within the Masonic trade bodies Ashmole was one of the leading intellectual luminaries of his time a founding member of the Royal

Society a fellowship and later academy of natural philosophers and scientists alchemist astrological advisor to the king and the creator of the world's first public museum While Isaac Newton regarded him as an inspiration Ashmole has been ignored by many conventional historians Tobias Churton's compelling portrait of Ashmole offers a perfect illustration of the true Renaissance figure the magus As opposed to the alienated position of his post Cartesian successors the magus occupied a place at the heart of Renaissance spiritual intellectual and scientific life Churton shows Ashmole to be part of the ferment of the birth of modern science a missing link between operative and symbolic Freemasonry and a vital transmitter of esoteric thought when the laws of science were first taking hold He was a man who moved with facility between the powers of earth and the active symbols of heaven

**The Mysteries of John the Baptist** Tobias Churton, 2012-10-24 The search for the real historical person known as John the Baptist and the traditions that began with him Explores why John the Baptist is so crucially important to the Freemasons who were originally known as St John's Men Reveals how John and Jesus were equal partners and shared a common spiritual vision to rebuild Israel and overcome corruption in the Temple of Jerusalem Explains the connections between John as lord of the summer solstice his mysterious severed head fertility rites and ancient Jewish harvest festivals Few Freemasons today understand why the most significant date in the Masonic calendar is June 24th the Feast of the Birth of St John the Baptist and the traditional date for appointing Grand Masters Nor do many of them know that Masons used to be known as St John's Men or that John the Baptist was fundamental to the original Masonic philosophy of personal transformation Starting with the mystery of John in Freemasonry Tobias Churton searches out the historical Baptist through the gospels and ancient histories unearthing the real story behind the figure lauded by Jesus's words no greater man was ever born of woman He investigates John's links with the Essenes and the Gnostics links that flourish to this day Exposing how the apostle Paul challenged John's following twisting his message and creating the image of John as merely a herald of Jesus the author shows how Paul may have been behind the executions of both John and Jesus and reveals a precise date for the crucifixion and the astonishing meaning of the phrase the third day He examines the significance of John's severed head to holy knights such as the Knights Templar and of Leonardo's famous painting of John Churton also explains connections between John the summer solstice fertility rites and ancient Jewish harvest festivals Revealing John as a courageous revolutionary figure as vital to the origins of Christianity as his cousin Jesus himself Churton shows how John and Jesus as equal partners launched a covert spiritual operation to overcome corruption in the Temple of Jerusalem re-initiate Israel and resurrect Creation
