This dynamic and profound philosophy stems from an oral tradition that can be traced back to those who studied directly with mile Jaques Dalcroze in Geneva, Switzerland during his lifetime 1865-1950. Recent trends in music education and Dalcroze students' stated needs have demanded more specificity and accessibility. These books aim to meet those needs by providing examples of many important skills necessary for a successful Dalcrozian without being narrow or prescriptive. Dalcroze Eurhythmics, Solfège, Improvisation, Plastique Animée and Pedagogy are all addressed in these volumes to prepare students to earn the Dalcroze Professional Certificate. Students using this text should be enrolled at an authorized Dalcroze Training Center run by someone who holds the Diplôme Supérieur from l'Institut Jaques Dalcroze in Geneva, Switzerland. Students who use these books should already have had a fair amount of musical training; an undergraduate degree in music is recommended though not required as the starting point for readers of these texts. It is my hope that these books will enable individuals to gain access to la Méthode Jaques Dalcroze with more efficiency and facility while maintaining the high standards of musicianship that are required to offer joyful and musically inspiring coursework in Dalcroze Education **Cambridge Young Learners English Tests Flyers 2 Student's Book** Cambridge ESOL, 2007-05-03 The Student's Book contains three authentic Cambridge Flyers papers.
