

The background of the cover is a photograph of a wooden bridge spanning a narrow stream in a lush green forest. The water is clear and reflects the surrounding foliage. In the foreground, a pair of feet is seen standing on the wooden planks of the bridge, looking towards the distance. The overall mood is serene and natural.

Vaughan,2013-11 Fundamentals of Risk and Insurance 11th Edition presents a thorough and comprehensive introduction to the field of insurance while emphasizing the consumer The new edition first examines the concept of risk the nature of the insurance device and the rinciples of risk management It then discusses the traditional fields of life and health insurance as solutions to the risks connected with the loss of income Fundamentals of Risk and Insurance 11th Edition alsodeals with the risks associated with the ownership of property and legal liability **Risk Allocation and Distributive Justice in the Energy Industry** Smith I Azubuike,2024-09-30 Brings the concept of gross negligence to the fore and highlights how distributive justice forms a better foundation for risk allocation in the offshore energy industry Assessed the practice of risk allocation in gross negligence cases in offshore petroleum drilling contracts Presented a public policy perspective on risk allocation in offshore drilling contracts Discussed gross negligence as a sui generis risk and provides a definitional pathway for determining when gross negligence has occurred and how it should apply to offshore energy drilling contracts to encourage a pollution free drilling operation Advanced the concept of distributive justice as a basis for risk allocation between participants when a downside arises due to gross negligence This book examines the practice of risk allocation in the offshore energy industry through the public policy lens and offers a novel perspective on the concept of gross negligence in risk allocation This perspective is founded on the proportionality element of distributive justice in burden distribution The assessment of how mutual indemnity clauses apply as an absolute shield against liability arising from gross negligence reveals that moral hazard can result from the practice In the analysis this book considers the risk allocation practice in PSC and Concession regimes and how parties liability is determined in drilling contracts This book considers gross negligence a sui generis risk and provides a definitional pathway for determining when gross negligence occurs and how it should apply to offshore drilling contracts Thus it advances an environmental sustainability approach to offshore petroleum drilling operations This book will be useful to operators and contractors resource rich countries insurance companies practitioners scholars and academics interested in risk allocation in the petroleum industry *Normalizing an American Right to Health* Christina S. Ho,2023 Normalizing an American Right to Health argues against the conventional wisdom that a U S right to health is out of reach It shows that the necessary change is not extraordinary but familiar and that the law has already laid considerable groundwork in ordinary statutes and case law The book moves from the descriptive task of showing where a right to health already exists in our legal corpus to the prescriptive goal of showing how we could feasibly and meaningfully expand the right through ordinary policies that are widely used in other domains including impact assessments and state sponsored reinsurance **Social Security**

John Attarian, 2017-07-05 One of today's most important national concerns is the projected bankruptcy of Social Security some time in the next few decades and its consequent inability to pay full benefits on time Yet despite two decades of warnings about this nothing is being done The saying that Social Security is the third rail of American politics touch it and you die still holds true In Social Security False Consciousness and Crisis John Attarian argues that the major cause of the current impasse is the misleading manner in which the program has been depicted to the public and the beliefs about Social Security which prevail as a result *The First Annual Conference of Islamic Economics & Islamic Finance* Ghada Gomaa A.
