*Fundamentals of Financial Management* Sharan, 2008-09      **Fundamentals of Financial Management** Eugene F. Brigham, Joel F. Houston, 2012-08-08 With the same contemporary approach and dynamic examples that made previous editions so popular this fully revised thirteenth edition of FUNDAMENTALS OF FINANCIAL MANAGEMENT continues to provide students with a focused understanding of today's corporate finance and financial management. This market leading text offers a unique balance of clear concepts, contemporary theory and practical applications in order to help students understand the concepts and reasons behind corporate budgeting, financing, working capital, decision making, forecasting, valuation and Time Value of Money (TVM). The thirteenth edition has been updated to include discussions of several major events such as the BP oil spill, the European debt crisis and the ongoing weakness in the economy and financial markets. Numerous practical examples, Quick Questions, proven end of chapter applications, Integrated Cases and real world examples demonstrate theory in action. A comprehensive support package prepared by the text authors connects closely with the book to reduce preparation time and reinforce students' understanding. You can also engage your students with a variety of tools including Thomson One Business School Edition, the same financial online database professionals use every day, updated Excel spreadsheets, models, today's leading online homework solution Aplia for Finance and CengageNOW course management system.
