Early Language Learning and Teacher Education Subhan Zein, Sue Garton, 2019-02-26 Language teacher education is widely identified as one of the most important areas that needs addressing in order to improve early language instruction yet research into teacher education for early language teachers remains relatively sparse This volume responds to this gap by compiling studies with diverse methodological tenets from a wide range of geographical and educational contexts around the world The volume aims to enhance understanding of early language teacher education as well as to address the need to

prepare early language teachers and assist them in their professional development The chapters focus on the complexity of teacher learning innovations in mentoring and teacher supervision strategies in programme development and perceptions and knowledge and assessment in early language learning teacher education The volume offers comprehensive coverage of the field by addressing various aspects of teacher education in different languages The contributions highlight examples of research into current practice in the professional enhancement of early language learning teachers but with an emphasis on the implications for practitioners CLIL in Action María Luisa Pérez Cañado, David Marsh, Juan Ráez Padilla, 2015-10-05 This volume explores the current position of CLIL on the three main fronts where it is attracting particular attention in specialized literature namely implementation research and teacher training To this end it presents evidence from national and international research projects governmentally financed pedagogical initiatives grassroots experiences and investigations and inter institutional training programs which offer insights into how CLIL is working in action on the aforementioned three levels The opening section of the book CLIL in action Practical considerations provides a window into how CLIL implementation is unravelling at the grassroots level vis vis key aspects for CLIL development such as the design of materials the use of ICT and the importance of extramural exposure The second part The effects of CLIL on language learning Research based evidence explores some key areas for future research showcasing how engaging in research as a device that drives reflection is the best possible way to continue moving the CLIL agenda forward Finally in the third part Preparing teachers for CLIL Practical proposals the interface of research and pedagogy is discussed as the former informs the latter in a clear instantiation of what Coyle 2011 terms evidence based practice in setting necessary teacher training actions in place As such the volume addresses three burning issues in the CLIL scenario through practical and research based proposals of tried and true CLIL development If all three strands implementation research and training dovetail and progress in harmony a solid template will be built for the future and the CLIL agenda will be pushed forward By pooling together the insights of a set of researchers teacher trainers policy makers and grassroots practitioners this volume will contribute to this much needed endeavour *Proceedings of the 4th International Conference on Linguistics and Culture (ICLC-4 2023)* Muhammad Hasyim, 2024-05-22 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of

language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar **Gateway.
