

The image features a dark, stormy background with bright orange and yellow lightning bolts striking down. In the center, the words "METALLICA" and "VIRGINIA TECH." are written in a bold, white, distressed font. The text is flanked by two large, white, jagged lightning bolt shapes that point upwards and outwards. Below the text, a large, dark, and somewhat obscured image of a military tank is visible, suggesting a connection to the band's military-themed lyrics and the university's military history.

*Black Sabbath* Mick Wall, 2013-11-07 An epic tale told the way it should be RECORD COLLECTOR The book he was born to write CLASSIC ROCK MAGAZINE An entertaining read for long standing fans and newcomers alike GUITARIST The final word on the only name synonymous with heavy metal Black Sabbath Way back in the mists of time in the days when rock giants walked the earth the name Ozzy Osbourne was synonymous with the subversive and dark Back then Ozzy was the singer in Black Sabbath and they meant business A four piece formed from the ashes of two locally well known groups called The Rare Breed Ozzy and bassist Geezer Butler and Mythology guitarist Tony Iommi and drummer Bill Ward all four founding members of the original Black Sabbath grew up within half a mile of each other This biography tells the story of how they made that dream come true and how it then turned into a nightmare for all of them How at the height of their fame Sabbath discovered they had been so badly ripped off by their managers they did not even own their own songs How they looked for salvation from Don Arden an even more notorious gangster figure who

resurrected their career but still left them indebted to him financially and personally And how it finally came to a head when in 1979 they sacked Ozzy For being too out of control even for us as Bill Ward put it The next 15 years would see a war break out between the two camps the post Ozzy Sabbath and Ozzy himself whose solo career overshadowed Sabbath to the point where when he offered them the chance to reform around him again it was entirely on his terms Or rather that of his wife and manager daughter of Don Arden Sharon Osbourne
