Manieri, 2025-08-22 Evie Manieri's *Blood's Pride* is the first book of The Shattered Kingdoms an engaging action packed and highly imaginative Kirkus Reviews series of fantasy novels with epic scope and the perfect mix of romance family ties betrayals and agonizing dilemmas RT Book Reviews Rising from their sea torn ships like vengeful pale phantoms the Norlanders laid waste to the Shadar under cover of darkness They forced the once peaceful fisher folk into slavery and forged an alliance with their former trading partners the desert dwelling Nomads tribe cutting off any hope of salvation Now two decades after the invasion a rebellion gathers strength in the dark corridors of the city A small faction of Shadari have hired the Mongrel an infamous mercenary to aid their fledgling uprising but with her own shadowy ties to the region she is a frighteningly volatile ally Has she really come to lead a revolution or for a more sinister purpose all her own Set in a fictional quasi Medieval Mediterranean region with a strong cast of male and female characters the series presents a striking world

with civilizations similar to those of the Vikings and the nomadic cultures of the Middle East and with the Mediterranean sensibilities of the ancient Greeks Her characters are passionate and memorable lending a personal touch to a complex tale of clashing cultures and philosophies Fans of Sharon Shinn Elspeth Cooper and Gail Z Martin should enjoy Manieri s approach to culture and drama Library Journal starred review At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied The words of the Son of God, arranged for daily meditation by E.
