Eric Clapton FAQ David Bowling, Eric Clapton, 2013-05-01 FAQ Eric Clapton has been a rock god for half a century From busking on street corners and in local pubs to the raw blues of the Yardbirds the rock blues fusion of Cream the guitar brilliance of Derek and the Dominoes and the unforgettable songs of his solo career he has proven his incomparable talent in the music world His enduring presence has made him the subject of countless books articles reviews websites and gossip Is there really anything new to learn about the man they call Slowhand Eric Clapton FAQ combines the obvious the well known the obscure and the unknown into one place It was not written as a definitive Clapton biography or a tell all book that has the final say It is as the title suggests a book of facts Clapton is one of those public figures we know much about but he still seems to be partially shrouded in mystery Sometimes the stories and facts about his life change and evolve which is all a part of his mystique Eric Clapton FAQ uncovers some of that mystery and celebrates his talent in an entertaining style Packed with dozens of rare images this book is must for Slowhand fans

Eric Clapton: The Autobiography Eric Clapton, 2010-01-26 Eric Clapton is far more than a rock star Like Dylan and McCartney he is an icon and a living legend He has sold tens of millions of records played sell out concerts all over the world and been central to the significant musical developments of his era His guitar playing has seen him hailed as God Now for the first time Eric tells the story of his personal and professional journeys in this pungent witty and painfully honest autobiography These are the memoirs of a survivor someone who has reached the pinnacle of success who has had it all but whose demons have never left him Eric tells his story as it is hiding nothing with a directness and searing honesty that will make this book one of the most compelling memoirs of our time
