Das Foundation Phase Framework: Der neue Bildungsplan für Kinder in Wales Julia Brauch, 2013-11-27 Diplomarbeit aus dem Jahr 2013 im Fachbereich Pädagogik Schulwesen Bildungs u Schulpolitik Note 2,0 Otto Friedrich Universität Bamberg Erziehungswissenschaft Veranstaltung Elementar und Familienpädagogik Sprache Deutsch Abstract Neben Reformen im Früherziehungsbereich für Kinder unter drei Jahren wurde in Wales ein neuer Bildungsplan für Kinder im Alter von drei bis

sieben Jahren entwickelt Es handelt sich hierbei um das Foundation Phase Framework im weiteren Verlauf FP Bildungsplan genannt auf welchem der Fokus dieser Arbeit liegt Die Motivation zum Thema dieser Arbeit entstand bei einem Auslandsaufenthalt in Wales im Jahr 2010 11 W hrend des Auslandssemesters wurde deutlich dass Wa les einen neuen Bildungsplan erstellt hatte von dem auf dem Kontinent nur wenig bekannt war Das Besondere an diesem Plan ist die reformistische Herangehensweise und die Abkehr vom bisherigen formalen Unterricht der im Vereinten K nigreich und Wales zuvor angewandt wurde Durch die Dezentralisierungspolitik und die Bestrebungen der Walisischen Regierungen den formalen Unterricht durch kindzentrierte und auf Spiel basierende P dagogik zu ersetzen wurde deutlich dass Wales und England erst in j ngster Vergangenheit die Reformen in der Fr herziehung im Gesetz verankerten Hier wird deutlich dass sich ein interessantes Forschungsfeld er ffnete da noch keine weiterf hrenden Studien zu den Auswirkungen des Bildungsplanes erstellt wurden Daher sollte es das Ziel dieser Arbeit sein den FP Bildungsplan zun chst zu studieren Daraus entwickelte sich das Vorhaben den Foundation Phase Bildungsplan f r Kinder im Alter von drei bis sieben Jahren welcher seit dem Jahr 2011 in Wales landesweit implementiert ist darzustellen und seinen Entstehungsprozess aufzuzeigen Im Rahmen einer Expertenbefragung sollen Einrichtungsleitungen danach befragt werden ob und wie der FP Bildungsplan in der Praxis umgesetzt wird Hier sei allerdings angemerkt dass trotz mehrmaliger Anfrage bei den Einrichtungen keine positive R ckmeldung erzielt werden konnte sodass im Rahmen dieser Arbeit leider keine Ergebnisse zur Umsetzung des Bildungsplans vorgestellt werden k nnen Im Anschluss an diese Einleitung werden im zweiten Kapitel die Hintergr nde und Rahmenbedingungen des Landes Wales die zur Entstehung und Entwicklung des neuen Bildungsplans f hrten beschrieben Hierzu wird zun chst der Begriff Dezentralisierung definiert da dieser f r den politischen Hintergrund relevant ist Das Kapitel informiert au erdem ber die gesellschaftlichen Rahmenbedingungen insbesondere die Situation des Bilingualismus informiert Kapitel 3 dieser Arbeit befasst sich mit dem FP Bildungsplan und seinen Inhalten

Exploring Outdoor Play in the Early Years Trisha Maynard, Jane Waters, 2014-06-16 Outdoor play is a significant and essential aspect of a young child s development and enjoys a renewed emphasis in early years practice in keeping with the core principles embedded within the early years tradition However this emphasis may sit uneasily alongside a requirement to focus on the development of literacy and numeracy skills and supporting outdoor play can raise a number of thorny issues such as freedom safety and risk This book challenges the reader to consider Why outdoor play is seen to be of significance within early childhood Whether this view is justified what are the benefits of outdoor play The implications for practitioners who may be facing conflicting pressures in their work with young children In particular the writers skilfully blend theory research and practical guidance to address three important issues What constitutes good outdoor provision for young children and babies How do we respect and respond to the young child in outdoor provision How do we support risky play within the bounds of a statutory curriculum or regulatory regime Incorporating chapters from internationally renowned authors working in this field this book

is recommended both for practitioners involved in early years education and care and for students at foundation degree and post graduate levels This is a thought provoking book that draws on research to encourage the reader to reflect on the essence of outdoor play in early childhood Recognising that within our society assumptions are made about outdoors and about childhood this book challenges the reader to reflect on outdoor provision from a number of perspectives The outdoor environment matters to young children This book not only makes the case for outdoor play it considers what that actually looks like in the UK and internationally and asks us to reflect on the implications for our own working practices Maynard and Waters set out to provoke critical reflection and inspire practitioners they have certainly achieved their aim and this book is a welcome addition to the debate about outdoors in the early years Gail Ryder Richardson Early Years Consultant and Trainer Outdoor Matters Contributors Valerie Huggins Sara Knight Helen Little Trisha Maynard Ellen Beate Hansen Sandseter Alison Stephenson Helen Tovey Sue Waite Jane Waters Jan White Karen Wickett Helen Woolley and Shirley Wyver

A *Critical Companion to Early Childhood* Michael Reed, Rosie Walker, 2014-11-03 In this stimulating and provocative book the editors have drawn together a diverse and international range of respected authors each of whom has taken a critical approach to the contentious question of how you define and achieve quality early childhood services It is a book designed to provoke and promote critical dialogue and discourse amongst practitioners and students through critical engagement with the position of the authors within the text I believe anyone who reads this book will be inspired and motivated to challenge and extend their thinking and professional practice adopting the critical stance which lies at the heart of quality services for children and families Professor Chris Pascal Director of Centre for Research in Early Childhood CREC Early childhood is a complex and important area of study where it is important to develop your critical thinking and reflect upon key issues This book will help do both It explores interrelated topics such as Child development Play Safeguarding Professionalism Curriculum and Policy Each chapter will not only engage with what you need to know but help you develop your academic skills The book also comes with lots of online resources and include Podcasts from the authors of each chapter so you can better understand the key concepts PowerPoints to help you revise the essential information Journal articles related to each chapter provide further reading Michael Reed and Rosie Walker are both Senior Lecturers in Early Childhood at the Institute of Education University of Worcester

knowledge of how young children think and learn An Anthology of Educational Thinkers Sally Featherstone,2016-11-03

An Anthology of Educational Thinkers provides an excellent introduction to the major groups of educational thinkers Each thinker s views and theories are explained in detail in a format that is accessible to those currently practising and those who are still in training However this book goes beyond just explaining the theory it shows practitioners how to put these theories into practice It is filled with explanations of how theories are linked to the EYFS examples of how these figures worked and most importantly demonstrates the way they influenced how most early years practitioners work today Teaching Science and Technology in the Early Years (3-7) Dan Davies,Alan Howe,Christopher Collier,Rebecca Digby,Sarah Earle,Kendra McMahon,2019-04-30

Teaching Science and Technology in the Early Years 3 7 celebrates young children s amazing capabilities as scientists designers and technologists Research based yet practical and accessible it demonstrates how scientific designing and making activities are natural to young children and have the potential for contributing to all aspects of their learning By identifying the scientific and technological concepts skills and activities being developed the book enables the reader to make more focused diagnostic observations of young children and plan for how they can help move them forward in their learning This third edition has been thoroughly updated and features fresh insights into young children s learning from neuroscience and new materialist perspectives a UK wide perspective on Early Years curricula and how they support the inclusion of science and technology as an entitlement for young children new case studies of successful evidence based Early Years practice alongside new examples of practical planning for learning and advice on documenting children s learning stories an updated chapter on assessing and documenting children s learning drawing upon findings from the Teacher Assessment in Primary Science TAPS project at Bath Spa University Based on the latest research and first hand experience this practical and accessible book is essential reading for Early Years and Primary students on undergraduate PGCE and Masters level courses *Supporting Early Mathematical Development* Caroline McGrath,2010-07-12

This highly topical resource offers an excellent blend of theory and practice that will enable you to deliver successful mathematical education to birth to eight year olds *Forest School in Practice* Sara Knight,2016-10-24

A beautiful full colour book by Forest School expert and teacher Sara Knight that inspires and encourages individuals of all ages to take an innovative approach to outdoor play and learning The images throughout the book bring alive Forest School activities and each chapter is accompanied by creative ideas for practice and in depth case studies from across the United Kingdom and Ireland exploring the amazing variety of nature provision Coverage includes Rural and urban day nurseries for very young children State and independent provision for Early Years and Primary Schools Secondary School intervention strategies for students with special education needs and disabilities How to support parents and families with Forest School Supporting people with mental health issues Suggestions for further reading at the end of chapters will be a helpful guide for students to read around the topic Whether you re training to become a teacher or already working in the outdoor classroom this book

demonstrates how Forest School approaches are enriching learning opportunities for children young people and adults and deepening their connections with the natural world with spectacular results Sara Knight will be discussing key ideas from Forest School in Practice in the SAGE Early Years Masterclass a free professional development experience hosted by Kathy Brodie

Emotional Literacy in the Early Years Sue Allingham,2020-12-16 This book looks at the physical and emotional environment where children learn and develop and shows ways in which practitioners can successfully create and achieve an emotionally literate and fully inclusive provision It provides strategies to help children balance body and mind through positive mental health and physical well being

Developing Schools as Learning Organisations in Wales Collectif,2018-10-23 Wales United Kingdom considers the development of schools as learning organisations as vital for supporting schools to put its new 21st century curriculum into practice A growing body of research evidence shows that schools that operate as learning organisations can react more quickly to changing external environments and embrace changes and innovations This report aims to support Wales in this effort gauging the extent to which schools have put into practice the characteristics of learning organisations and identifying areas for further development It also examines the system level conditions that can enable or hinder schools in Wales in developing as learning organisations It offers a number of concrete recommendations for consideration by the Welsh Government and other stakeholders at various levels of the system The report will be valuable not only for Wales but also to the many countries that are looking to establish collaborative learning cultures across their school systems

The Project Approach in Early Years Provision Marianne Sargent,2014-01-07 The Project Approach in Early Years Provision is designed to help early years students practitioners and managers understand and manage project work with young children The project approach is designed to enable early educators to ensure young children are learning in the best possible way by providing motivating learning opportunities Put the project approach into practice using the included resources with adaptable and printable planning and observation forms Link the approach to the requirements of all four British early years curricula Develop children s personal and social skills by encouraging collaboration with others Provide a meaningful context for children to practice their literacy and numeracy skills Promote sustained shared thinking by facilitating projects that involve children in active investigation discussion and debate Give each child the freedom to learn according to their individual needs interests aptitudes and abilities

Spirituality across Disciplines: Research and Practice: Marian de Souza,Jane Bone,Jacqueline Watson,2016-06-29 This book collects multiple disciplinary voices which explore current research and perspectives to discuss how spirituality is understood interpreted and applied in a range of contexts It addresses spirituality in combination with such topics as Christian mysticism childhood and adolescent education midwifery and sustainability It links spirituality to a variety of disciplines including cognitive neuroscience sociology and psychology Finally it discusses the application of spirituality within the context of social work teaching health care and occupational therapy A final chapter provides an analytical discussion of the different voices

that appear in the book and offers a holistic description of spirituality which has the potential to bring some unity to the meaning expression and practice of spirituality across a variety of disciplines as well as across cultural religious and secular worldviews A strength of the book is that each chapter is characterized by a fearless confronting of oppositional perspectives and use of the latest research in addressing them The book takes the difficult topic of spirituality into almost every nook and cranny of personal and professional life There is a persistent grasping of the contentiousness of the topic together with addressing counter positions and utilizing updated research across a range of fields in doing this The opening and closing chapters serve as book ends that keep the whole volume together Terence Lovat The University of Newcastle Australia The interdisciplinary nature of the work is by far the strongest aspect of this volume It has the potential to contribute to a dialogue between different professions and disciplines This prospective publication promises to promote a more holistic approach to the study of spirituality This volume takes into consideration a wide variety of issues The way the editors have structured the sequence of chapters contributes to facilitate any possible dialogue between the different areas Adrian Mario Gellert University of Malta Malta
