Understanding Your Faith - A Primer John Roach, 2006-04 *The Gospel of John* David R. Dilling, 2008-06-25 A Bible Study Guide A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an

arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

In These Last Days Graeme Goldsworthy,2024-11-15 Graeme Goldsworthy s *In These Last Days The Dynamics of Biblical Revelation* emphasizes the dynamic nature of divine revelation Goldsworthy illustrates throughout his work that God is not static Rather he is always actively involved in history both in the life of Israel and the church Goldsworthy argues that understanding these historical contexts in the Old and New Testaments is crucial for proper interpretation Divided into four sections exploring God s word being actions and people *In These Last Days* offers a biblical and theological guide to accurately interpreting and applying Scripture for the life of the church today

40 Questions About Calvinism Shawn D. Wright,2019-04-30 In *40 Questions About Calvinism* church historian Shawn Wright tackles many issues about the theological system known as Calvinism Taking an irenic approach Wright explains the key doctrines while also contrasting them with Arminianism The accessible format allows readers to easily look up topics in which they re most interested including What is the difference between Calvinism and the Reformed tradition Does God love all people Did Jesus die for the sins of the whole world Can people resist the Holy Spirit Do Calvinists practice evangelism and missions Here is a book to put into the hands of such inquirers whose understanding of Calvinism may have been formed by those who caricature it The fact that each chapter is a question helps readers go straight to the issue that is dogging them Conrad Mbewe Kabwata Baptist Church Lusaka Zambia If you are a non Calvinist seeking answers about Calvinism you will find a clear and winsome presentation of the position as well as a response to some key criticisms If you are a Calvinist looking for a model of how to talk about these things with non Calvinists then you will find a helpful and humble model for explaining the Calvinist position and its points of disagreement with Arminianism in a fair minded evenhanded way Ligon Duncan Reformed Theological Seminary

questions about end times issues by examining statements that Jesus Himself made about what was to come You will be encouraged as you anticipate Christ's return Both inside and outside the church people are asking the same question Is this the end of the world With a global pandemic that has killed millions nations spending millions of dollars to update their nuclear weapons arsenals and an increase in fire floods plagues and other natural disasters Christians and non Christians alike are concluding that history appears to be drawing to a close Yet Dr Michael Youssef says now is not the time to fear In *Is The End Near* Dr Youssef looks at Jesus words in Matthew 24 and 25 about the end of civilization and the coming of the one world ruler and examines Whether the birth pains Jesus predicted in Matthew 24 are signs that the end times are near Evidence for potentially apocalyptic events such as asteroid or comet collisions with earth events that could trigger unprecedented tsunamis and global darkness Whether it's possible for Christians to be deceived by the Antichrist and other

false messiahs in the end times The four dimensions of the coming judgment How to live in the hope and security of the Lord's return even as the world is collapsing around us As believers we don't have to fear the end Using God's Word as our guide we can look toward the future with hope because we know the One who holds the future in His hands FOREWORD BY R T KENDALL *Evangelical Bible Doctrine* Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come **Truth Aflame** Larry D. Hart, 2010-02-23 Larry Hart's Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology **He Shall Glorify Me** W.
