Pollock, 2023-04-14 Continuing her feminist reconceptualisation of the ways we can experience and study the visual arts, world-renowned art historian and cultural analyst Griselda Pollock proposes a series of new encounters through virtual exhibitions with art made by women over the twentieth century. Challenging the dominant museum models of art and history that have been so exclusive of women's artistic contributions to the twentieth century, the virtual feminist museum stages some of the complex relations between femininity, modernity, and representation. Griselda Pollock draws on the models of both Aby Warburg's Mnemosyne Atlas and Freud's private museum of antiquities, as well as Ettinger's concept of subjectivity, as encounter to propose a differencing journey through time, space, and archive. Featuring studies of Canova's Three Graces and women artists' modernist reclamations of the female body, the book traverses the rupture of fascism and the Holocaust and ponders the significance of painting and drawing in their aftermath. Artists featured include Georgia O'Keeffe, Josephine Baker, Gluck, Charlotte Salomon, Bracha Ettinger, and Christine Taylor Patten.      *What Would Frida Do?* Arianna Davis, 2020-10-20 Having doubts about your next step?
