*Post-Cold War* Stephen A. Bourque, 2008-03-30 From the fall of the Berlin Wall in 1989 through the years immediately after the collapse of the World Trade Center and Pentagon in 2001 and within the administrations of George H W Bush

William J Clinton and George W Bush soldiers lives underwent enormous changes Without the benefit of national conscription these professionals nurtured on stories of World War II Korea and Vietnam experienced repetitive tours of duty in one combat zone after another to an extent the warriors of earlier eras could never have imagined They fought every kind of war during this period high intensity mechanized war air and heliborne raids peace keeping activities urban combat counter insurgency operations refugee support and counter narcotics operations What makes the story of this era s soldiers all the more compelling is that these activities took place as the American military actually decreased its military strength during the period leading to more and longer tours of duty The book also includes a timeline to put dates and events in better perspective a comprehensive topically arranged bibliography and a thorough index      Books in Print ,1961
