From Shaun Of The Dead To Baby Driver Edgar Wright:

Adaptations in the Franchise Era Kyle Meikle, 2019-01-24 Adaptations in the Franchise Era re evaluates adaptation's place in a popular culture marked by the movement of content and audiences across more media borders than ever before. While adaptation has historically been understood as the transfer of stories from one medium to another more often than not from novel to film, the growing interconnectedness of media and media industries in the early twenty-first century raises new questions about the form and function of adaptation as both a product and a process. Where does adaptation fit within massive franchises that span pages, stages, screens, and theme parks? Rising scholar Kyle Meikle illuminates adaptation's enduring and essential role in the rise of franchises in the 2000s and 2010s. During that decade and a half, adaptations set the foundation for multiplexed, multiplied film series, piloted streaming television's forays into original programming, found their way into audiences' hands in apps and video games, and went live in theatrical experiences on Broadway and beyond. The proliferation of adaptations was matched only by a proliferation of adaptation as fans remixed and remade their favourite franchises online and off. This volume considers how producers and consumers defined adaptations and how adaptations defined themselves through the endless intertextual play of the franchise era. *Films of the Dead* Renatus

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEW YORK. An enjoyable romp that vividly captures the manic ups and downs of the remarkable

group of funny folk who gave us a golden age of small and big screen comedy from SNL to Groundhog Day Peter Biskind author of Easy Riders Raging Bulls Wild and Crazy Guys opens in 1978 with Chevy Chase and Bill Murray taking bad tempered swings at each other backstage at Saturday Night Live and closes 21 years later with the two doing a skit in the same venue poking fun at each other their illustrious careers triumphs and prat falls In between Nick de Semlyen takes us on a trip through the tumultuous 80s delving behind the scenes of movies such as National Lampoon s Vacation Beverly Hills Cop The Blues Brothers Dirty Rotten Scoundrels and dozens more Chronicling the off screen larger than life antics of Bill Murray Chevy Chase Steve Martin Dan Aykroyd Eddie Murphy John Belushi John Candy and Rick Moranis it s got drugs sex punch ups webbed toes and Bill Murray being pushed into a swimming pool by Hunter S Thompson while tied to a lawn chair What s not to like Based on candid interviews from many of the stars themselves as well as those in their immediate orbit including directors John Landis Carl Reiner and Amy Heckerling Wild and Crazy Guys is a fantastic insider account of the friendships feuds triumphs and disasters experienced by these beloved comedians Hilarious and revealing it is both a hidden history of the most fertile period ever for screen comedy and a celebration of some of the most popular films of all time Praise for Wild and Crazy Guys Eminently readable Children of the 1980s take note this is a fond engrossing look back at the making of movies that became cultural touchstones Booklist starred review Nick de Semlyen smartly charts the pinballing career paths of the stars of this new comic wave His punchy nonstop narrative tells a story where art and commerce smash hard against each other sometimes causing destruction but sometimes making sparks fly The Sunday Times UK Sorcerer Mark Wheeler,2022-01-25 William Friedkin s film Sorcerer 1977 has been subject to a major re evaluation in the last decade A dark re imagining of the French Director H G Clouzot s Le Salaire de la Peur The Wages of Fear 1953 based on George Arnaud s novel the film was a major critical and commercial failure on its initial release Friedkin s work was castigated as an example of directorial hubris as it was a notoriously difficult production which went wildly over budget It was viewed at the time as th end of New Hollywood However within recent years the film has emerged in the popular and scholarly consciousness from enjoying a minor cult status to becoming subject to a full blown critical reconsideration in which it has been praised a major work by a key American filmmaker *Sound Design is the New Score* Danijela Kulezic-Wilson,2020 The practice of blurring the line between score and sound design has transformed contemporary film soundscape by challenging not only the long established hierarchical relationships between dialogue music and sound effects but also the modes of perception shaped by classical soundtrack practices The methods of this new trend rely on the language of contemporary popular and art music producing soundtracks in which it is difficult to tell the difference between score and ambient sound where pieces of electroacoustic music are merged with diegetic sound sound effects are absorbed into the score or treated as music and diegetic sound is treated as musique concr te In Sound Design is the New Score Kulezic Wilson explores theoretical aesthetic and sensuous dimensions of this new trend providing a multifaceted portrait of a practice

which recognizes the interconnectedness of all soundtrack elements and emphasizes their inherent musicality The aesthetic concerns of this practice are illuminated through the concept of the aesthetics of reticence which rejects classical narrative and scoring conventions and uses integrated soundtrack strategies to create the space for mystery in art and for individuality in the cinematic experience The book's emphasis on sensuous and musical aspects of this practice informed by the feminist discourse on the erotics of art challenges popular notions about sensory cinema demonstrating that the sensuousness of film form and its soundscapes is more sophisticated than simply being the result of excessive sensory stimulation facilitated by the use of digital technology or the intensified aesthetics it inspires The discussion is supported by a wide range of case studies from American Independent Asian Australian and European cinemas including films by Shane Carruth Claire Denis Hou Hsiao Hsien Harmony Korine David Michod Gus Van Sant and Peter Strickland
