Images of Projects Mark Winter, Tony Szczepanek, 2017-03-02 In this very distinctive book Images of Projects challenges how we

think about projects in the most fundamental way it rejects outright the idea of a one best way to view all projects and also the idea of following a prescriptive approach In contrast Images of Projects seeks to encourage a more pragmatic and reflective approach based on deliberately seeing projects from multiple perspectives exploring the insights and implications which flow from these and crafting appropriate action strategies in complex situations Based on real examples and the authors work over the last ten years Images of Projects presents seven pragmatic images for making sense of the complex realities of projects Illustrated using various models these images are presented in ways that allow the reader to reflect upon their own mental models in relation to the different perspectives in this book
