Habecker,2024-02-13 Drawing from his thirty five years as a CEO popular leadership literature and the Scriptures Eugene Habecker makes the case of the integration of soft skills like emotional intelligence and character quality in building healthier professional and personal lives and healthier organizations **Dancing With The Devil** Kathleen

Dryden,2025-02-21 Dancing With The Devil is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn t belong unless we give him access through the choices we make that reject Christ s statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and understanding to make good choices Dancing With The Devil teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land **Impact** Tim Irwin,2014-02-04 New York Times bestseller For more than 25 years

organizational psychologist and management consultant Dr Tim Irwin has worked with thousands of leaders in well known global companies He knows most leaders work for recognition and advancement and they want more challenge and responsibility He s also found this to be true Most of us want to make a positive difference through our work and to have our lives count for something more than simply making a living We want to make an impact Yet when we look around our organizations we don t see many leaders who have real impact We see them just managing the daily rat race Somewhere along the line many began working for money instead of for meaning for status instead of for a lasting legacy In Impact Irwin identifies the principles and beliefs that lead to great leadership ways in which you can grow and thrive and be trusted by others Learn how to be the kind of leader that motivates others in meaningful work and great accomplishments and what you can do to stay on track so you avoid a path of personal destruction so many leaders go down today Accessible humorous and engaging Irwin s latest book shows you how to live the vision you began your career with and then finish strong for a lasting impact the hope of every great leader
