We Make Beer Sean Lewis, 2014-09-23 An eye opening journey into craft beer making in America and what you can find in the quest to brew the perfect pint Sean Lewis was living in Boston when he first set foot inside the Blue Hills Brewery He was writing for BeerAdvocate magazine about America's craft brewers and the then fledgling Blue Hills was his first assignment

Lewis was immediately struck by the spirit of the brewers he met there That visit would lead him first to an intensive study of beer brewing and later to a nation spanning journey into the heart and the art of American beer making What Lewis found along the way was a group of like minded craftsmen creators who weren t afraid to speak their minds who saw their competitors as cherished friends A group who takes sheer joy in their work and who seeks the same kind of balance in their lives as they do in the barrels they brew He shared pints with pioneering upstarts like Paul and Kim Kavulak of Nebraska Brewing Company and talked shop with craft beer stalwarts like Ken Grossman of Sierra Nevada and bombastic innovators like Greg Koch the Arrogant Bastard behind Stone Brewing Co He found in them and others a community that put its soul into its work who sees beer making as an extension of themselves We Make Beer is not just a celebration of American brewing but of the spirit that binds brewers together It s about what you can discover in yourself when you put your hands and your heart into crafting the perfect pint
