Essentials of Personal Financial Planning Susan M. Tillery, Thomas N. Tillery, 2018-09-21 ESSENTIALS OF PERSONAL FINANCIAL PLANNING Essentials of Personal Financial Planning was written to challenge the status quo by promoting personal financial planning PFP as a profession not as a sales tool to gather assets under management or facilitate sales of insurance products The book takes a comprehensive and integrated approach to PFP for accounting students allowing them to view the profession through the lens of a CPA with integrity and objectivity This book systematically introduces the essentials of all the major PFP topics estate retirement investments insurance and tax as well as The PFP process concepts and regulatory environment Professional responsibilities

of a CPA personal financial planner and the requirements of the Statement on Standards in PFP Services Time value of money concepts The book then builds on these foundational concepts showing their interconnectivity and professional opportunities to provide a deeper understanding of PFP and its application After reading this book students will be able to apply the knowledge and skills gained from this course to have an immediate and long term positive impact for themselves and for the clients they serve Personal Financial Planning Benedict Koh,2012-12-11 If you are like most people you may desire to achieve many financial goals such as owning assets saving money for emergency purposes protecting yourself and your loved ones with insurance and many more Nonetheless achieving these goals with limited resources can be challenging especially given the complexity of modern financial markets In this fourth and latest edition Personal Financial Planning expands on the important skill of financial planning covering more topics than before This volume is designed to help you formulate financial goals and develop specific financial plans to achieve your goals Topics covered in this volume include the benefits of personal financial planning financial planning tools managing credit insurance planning income tax planning retirement planning and personal financial risk management among others The authors are professionals with many years of experience in the field and key terms and concepts are explained in a fuss free manner with clear and relevant examples This book is suitable for a wide range of audiences including polytechnic students undergraduates MBA students and those pursuing the Chartered Financial Analyst CFA and Chartered Financial Planning CFP qualifications as well as financial planners and advisers in banks insurance and stock broking firms **Recent Research in Management, Accounting and Economics (RRMAE)** Hafinaz,Hariharan R.,R. Senthil Kumar,2025-03-07 The conference brought together innovative academics and industrial experts to present novel contributions related to real world aspects of Economics Management and Accounting The primary goal of the conference was to promote research and developmental activities in these three fields Another goal was to promote scientific information interchange between researchers developers engineers students and practitioners working in and around the world *Measuring Business Interruption Losses and Other Commercial Damages* Patrick A. Gaughan,2020-06-23 Measure business interruption losses with confidence You hope for the best and plan for the worst It s your job But when the unimaginable happens are you truly prepared for those business interruption losses *Measuring Business Interruption Losses and Other Commercial Damages* is the only book in the field that explains the complicated process of measuring business interruption damages after you ve been hit by the unexpected whether the losses are from natural or man made disasters or whether the performance of one company adversely affects the performance of another Understand the methodology for how lost profits should be measured Deal with the many common types of cases in business interruption lawsuits in commercial litigation Take a look at exhibits tables and graphs Benefit from updated data case studies and case law references Don t get caught off guard Get ahead of planning for measuring your interruption losses before disaster strikes Guide to Personal Financial Planning for the Armed Forces Colonel S. Jamie Gayton,Major Scott P.

Handler,2012-10-01 Complete information and advice on personal finances and important decisions tailored to members of the armed forces
