*Pestilence's Cure* Raisa Greywood, 2022-07-08 A broken woman An old fashioned man The love of a lifetime if he isn't too stubborn to accept it Discovering a bruised and battered cult refugee in the lobby of his club isn't exactly how Ryan Wood expects to find the woman of his dreams Carrie is everything Ryan has always wanted sweet submissive eager to please She is also way too young for him and even though the stories from her childhood make his skin crawl she is still far too sheltered and innocent for a man like him A man who demands complete obedience and who won't hesitate to mete out discipline as he sees fit But there is a spine of steel hidden beneath Carrie's wounds and she isn't backing down from what she wants without a fight When she makes a shocking public claim Ryan's refusal to bend doesn't just threaten their happily ever after it threatens the very existence of Club Apocalypse itself

America's Forgotten Suffragists Nicole Evelina,2023-03-01 After being forgotten for nearly 130 years the Mother of Suffrage in Missouri and her husband are finally taking their rightful place in history St Louisans Virginia and Francis Minor forever changed the direction of women s rights by taking the issue to the Supreme Court for the first and only time in 1875 a feat never eclipsed even by their better known peers Susan B Anthony and Elizabeth Cady Stanton Yet despite a myriad of accomplishments and gaining notoriety in their own time the Minors names have largely faded from memory In 1867 Virginia founded the nation s first organization solely dedicated to women s suffrage two years before Anthony formed the National Woman s Suffrage Association NWSA Virginia and Francis were also the brains behind the groundbreaking idea that women were given the right to vote under the Fourteenth Amendment a philosophy the NWSA adopted for nearly a decade And their story doesn t end there After the court case Francis went on to become a prolific writer on women s rights and one of the first and strongest male allies of the suffrage movement Virginia instigated tax revolts across the country and campaigned side by side with Anthony for women s rights in Missouri Kansas and Nebraska America's Forgotten Suffragists Virginia and Francis Minor is the first biography of these suffrage celebrities who were unique for their time in being jointly dedicated to the cause of female enfranchisement This book follows their lives from slave holding Virginians through their highly lauded civilian work during the Civil War and into the height of the early suffrage movement to show how two ordinary people of like mind dedicated to a cause can change the course of history
