Pink Or Black 2 High Drama At High School:

Pink Or Black 2 Tishaa Khosla, 2012 *Pink or Black 2 High Drama at High School* is the much awaited sequel to the national bestseller *Pink or Black*. It is the story of Tiana and her friends as they go through the ups and downs of being teenagers in Class 10 at Hill View High boarding school. The sequel picks up where the first book left off with the group beginning a new year at the school. As the new year begins, Tiana finds that her friends are slowly beginning to behave in a strange manner around her. Especially Bella who seems to have a problem with her. No matter what she does, Tiana gets sucked into all the drama that high school brings, misunderstandings, fights, and sometimes is just in the wrong place at the wrong time. Boy trouble makes her life even more complicated when Tiana finds herself caught between two boys and then a third one appears unexpectedly as the year progresses. Several new characters are introduced in this book like Tiana's cousin Tea who joins school this year. Tiana makes some new friends and finds that she enjoys their company more than the people she considered as her friends. The story follows her as she struggles to manage her social life, love life, and academic life, keeping the reader engrossed and wondering when she will figure it all out. *Pink or Black 2 High Drama at High School* is written in a light, easy-to-read tone, and the characters are relatable. The book was published by Rupa Co in 2012 and is available in paperback.

Key Features: A light-hearted yet interesting read about high school drama and growing up. It is the sequel to *Pink or Black*, which was a national bestseller.

The Methuen Drama Book of Trans Plays Volume 2 Leanna Keyes, Lindsey Mantoan, Angela Farr Schiller, 2025-08-21. This anthology is special, a book of trans plays about trans life as it is actually materially lived in time and space. Theatre Survey on Volume 1. *The Methuen Drama Book of Trans Plays Volume 2* offers eight new plays by trans playwrights centering trans characters, trans life, and gender diversity. Curated via an open submission policy, this book brings together dramatic works that feature nuanced, authentic, and wonderfully messy representations of gender, race, and sexuality. Alongside the full scripts, all of which are published here for the first time, this anthology series also includes a wide range of critical essays to inspire deeper understanding of the works, playwrights, and interventions these plays make in the theatrical ecology. *Cercle Hermaphrodites* by Shualee Cook, *Red Rainbow* by Azure D Osborne, *Lee Degenerates* by Else Went, *Close to Home* by Sharifa Yazmeen, *The Bugs* by Sloka Krishnan, *The Skin of Other Men* by Fig Lefevre, *Oh Buddy* by Hal Cosentino, *Gender Play or what you Will* co-created by Will Wilhelm and Erin Murray. Edited by Leanna Keyes, Lindsey Mantoan, and Angela Farr Schiller, the plays and companion essays in this anthology explicitly call for expansive approaches to trans characters, themes, and aesthetics in order to promote opportunities for trans artists, making this an original and necessary publication for both practical use and academic study.
