Stathatos, 2018-09-01 This is a compilation of contributions to the study of the Portuguese playwright Gil Vicente 1465 1536 which appeared between 2005 and 2015 Entries are grouped under

three main headings Editions and Adaptations Translations and Critical Studies The scholarly interest in the father of the Portuguese theater continues unabated as it can be seen in the great numbers of scholarly works both editorial and critical which appeared in the decade under question The modest aim of this work is to alert scholars as to which of Gil Vicente s works have not received adequate critical attention New names are constantly added to the list of established vicentistas and new ways of looking at the dramatist s works are introduced

**Spanish-language Newspapers in New Mexico, 1834-1958** Anthony Gabriel Meléndez, 2005-01-01 For more than a century Mexican American journalists used their presses to voice socio historical concerns and to represent themselves as a determinant group of communities in Nuevo México a particularly resilient corner of the Chicano homeland This book draws on exhaustive archival research to review the history of newspapers in these communities from the arrival of the first press in the region to publication of the last edition of Santa Fe s *El Nuevo Mexicano* Gabriel Meléndez details the education and formation of a generation of Spanish language journalists who were instrumental in creating a culture of print in nativo communities He then offers in depth cultural and literary analyses of the texts produced by los periodiqueros establishing them thematically as precursors of the Chicano literary and political movements of the 1960s and 70s Moving beyond a simple effort to reinscribe Nuevomexicanos into history Meléndez views these newspapers as cultural productions and the work of the editors as an organized movement against cultural erasure amid the massive influx of easterners to the Southwest Readers will find a wealth of information in this book But more important they will come away with the sense that the survival of Nuevomexicanos as a culturally and politically viable group is owed to the labor of this brilliant generation of newspapermen who also were statesmen scholars and creative writers
