Questioning and Answering Practices across Contexts and Cultures Cornelia Ilie,2021-07-26 This book showcases innovative research about the multi functional and dynamic interrelatedness of questioning and answering practices in institution and culture specific interactions ranging from under explored to extensively researched ones South Korean talk shows Japanese interviews Chinese news interviews police civilian interactions in the USA Italian interviews and courtroom examinations Japanese parliamentary debates and Prime Minister s Questions in the UK Parliament Challenging the view that questions are asked with the purpose of seeking information and eliciting answers these studies open up new research

avenues through insightful investigations and critical scrutiny that problematize the question answer paradigm through which meanings are conveyed negotiated and or contested and through which relationships are established maintained and or challenged Significant findings show that questioning and answering strategies are shaped by the specific norms and constraints of particular communities of practice while at the same time they are shaping the very same communities of practice This book will appeal to interdisciplinary scholars and practitioners across the linguistic media political legal and social sciences

Careers in Law Enforcement Coy H. Johnston, 2016-02-03 Careers in Law Enforcement is a valuable resource for students considering a career in the criminal justice field specifically in policing Written in a concise and conversational tone author Coy H Johnston includes three main sections planning a realistic path selecting an appropriate career path in law enforcement and preparing for the hiring process The first chapter offers students a unique opportunity to take a personality career test to help them discover the types of jobs that might be a good fit Consequently students will set sensible goals at the beginning of their degree program and seek appropriate internships and volunteer opportunities This text is a helpful resource students will be able to peruse repeatedly when they are ready to start the process of applying for jobs within law enforcement

Understanding Research Methods Michelle Newhart, Mildred L. Patten, 2023-06-05 In the eleventh edition of Understanding Research Methods An Overview of the Essentials Newhart and Patten leverage the principles of learning and content design to present the fundamentals students need to get started in research Basics of quantitative and qualitative research are covered in short independent topics and grouped into meaningful sections A perennial bestseller for over ten editions Understanding Research Methods focuses concisely on key concepts and lessons in topics that are chunked to suit today's students Each topic ends with suggestions for planning a research project by answering topic specific prompts in a research planning journal Topic Review exercises encourage active learning Finally Topics for Discussion suggest open ended prompts that could serve as conversation starters in the classroom or online The final Part of the book offers guidance and activities specific to writing a research report This section can be used to support the development of project based assignments for courses or it can be used independently to support senior thesis projects master's theses dissertations or articles for publication Instructors will appreciate the organization of Understanding Research Methods because it allows a great deal of customization and choice in which topics to cover and in what order to cover them making it suitable for methodological training in a variety of courses and fields of study Online digital materials support course development New to this edition Part introductions now include a part table of contents and list of keywords Newly expanded coverage of qualitative research New coverage on designing quantitative research Expanded material on sampling More simple graphs charts and illustrations emphasize and visualize Topic key points
