Bumberry, 2025-09-01 Infidelity is a painful and often traumatic experience that can lead to feelings of mistrust hypervigilance insecure attachment and emotional upheaval for both partners Written by a psychologist and based on the popular Gottman Method for couples therapy this book offers powerful trauma informed skills to help readers heal from infidelity strengthen love and intimacy and rebuild trust after betrayal Teaching by Heart Thomas J. DeLong, 2020-01-14 The best teachers are leaders and the best leaders are teachers *Teaching by Heart* summarizes the author's key insights gained from more than forty years of teaching and managing It illustrates how teachers can both lift people up and let them down It proposes that the best teachers are also leaders and the best leaders are also teachers In examining how to lead and teach renowned Harvard Business School professor Thomas J DeLong takes the reader inside his own head and heart He notes that as teachers we often focus more on our inadequacies and missteps than on our strengths and unique talents He explains why this is so by dissecting and analyzing his own experiences using himself as a case study The book's goal is to help readers learn about the intricacies of teaching and managing and to impart lessons about how teachers can create a unique teaching atmosphere To do this the author analyzes the process of creating a curriculum preparing for an eighty minute class managing the fifteen minutes before class begins and evaluating the nature of the teaching experience after the session concludes Along the way he connects specific classroom behaviors with leadership issues in organizations in teams and in personal relationships He also asks and answers some provocative questions such as What happens on multiple levels when I teach or lead with me students or professionals What am I thinking and feeling as I process what students are thinking and feeling How are my internal conversations affecting how I teach and lead How do I manage my biases including

having favorite students To what extent can I use teaching methods in the arena of management Throughout Teaching by Heart DeLong discusses why empathy and authenticity matter When teachers embrace this mindset students have the opportunity to have a unique learning experience Teachers and managers will learn how to create moments of transformation for students Whether you re a university professor a student a business leader or just someone fascinated by teaching this book will instruct entertain and hopefully inspire
