and deeply personal narrative of Bridget Isiramen's journey from the heart of Africa to the United States where she pursued her dream of excelling as a nurse. This compelling memoir chronicles the challenges, triumphs, and unwavering faith that shaped her path. As a foreign student in America, Bridget faced cultural barriers, academic hurdles, and moments of self-doubt. Yet, through it all, she clung to her belief in a higher purpose and the power of perseverance. Her story is not just about the pursuit of a career but about the indomitable spirit of saying yes I can when some insist you cannot. Bridget Isiramen was born and raised in Nigeria where she worked as a midwife in the Okpebho local government area, Edo State, before migrating to the United States. With over twenty years of nursing experience in the U.S., she holds an ADN from Truckee Meadows Community College School of Nursing in Reno, Nevada, and both a BSN and MSN specializing in nursing education from Grand Canyon University, Phoenix, Arizona. This book is a testament to the strength of faith, the resilience of the human spirit, and the transformative power of determination. Whether you're in the nursing profession or simply someone facing your own obstacles, *Nursing My Divine Calling* will inspire you to believe in yourself and pursue your dreams with passion, patience, and persistence. There is light at the end of the tunnel.

Love Or Lust Antwan Williams, 2009-04. Have you noticed that most people today love in a lusting way? In fact, most people engaged in relationships are with each other because of every reason except for love. Understand that most people today are not in love; their lust. That true love we once had before is gone; it does not exist anymore. Most people are in relationships today because they don't want to be alone. Some are just together because they are simply comfortable with each other. Others are together because of financial reasons or physical beliefs. Understand these are all relationships full of nothing but emptiness. It's possible to actually be in love and learn the ways to acquire such a thing. I have mapped out the rules to find love and get past lust. I found out that we are all color-coded; that's why we behave differently in certain situations towards love. Find out if you are a lover or a luster. Find out how to avoid all the red flags and pinpoint a disaster. Find out that sincere love still exists but it lies in you.
