Music and Mourning Jane W. Davidson, Sandra Garrido, 2016-04-28 While grief is suffered in all cultures it is expressed differently all over the world in accordance with local customs and beliefs Music has been associated with the healing of grief for many centuries with Homer prescribing music as an antidote to sorrow as early as the 7th Century BC The changing role of music in expressions of grief and mourning throughout history and in different cultures reflects the changing attitudes of society towards life and death itself This volume investigates the role of music in mourning rituals across time and culture discussing the subject from the multiple perspectives of music history music psychology ethnomusicology and music therapy

Psychoanalysis and Education Alan Bainbridge, Linden West, 2018-03-22 This book provides a unique and highly topical application of psychoanalytic theory to the broad context of education including schools universities and adult learning Education is understood as a crucial element in a lifelong project to gain more coherent and meaningful understanding of self and others Psychoanalysis has taken the contingency construction and development of human subjectivity as well as the difficulty of thinking to be its prime preoccupation Yet at a time of increasing doubt and anxiety about the purposes and practice of education psychoanalytic understanding from various traditions has never been more marginal in educational debate The book seeks in these terms to bridge some of this gap it is written for teachers trainers policy makers clinicians researchers and diverse academics who want to look beyond bland superficialities to deeper struggles for self and understanding This includes unconscious processes in the relationships that constitute education as well as resistance to new ideas and practices

Developing Community-Based School Crisis Response Susan H. Shapiro, 2024-12-30 Examining crisis and its impact on the educational experience Developing Community Based School Crisis Response helps aspiring educators investigate and develop effective school crisis management strategies The book introduces the Educational Crisis Framework which emphasizes the importance of compassion and community knowledge as agents of change Covering topics from school violence and natural disasters to the impact of war and societal issues each chapter presents case studies based on the lived experiences of teachers educational leaders parents and students who have confronted crises in their own K 12 classrooms and communities Following each example discussion questions provide prompts for thoughtful group discussions Addressing a wide array of increasingly common challenges this thoughtful resource is ideal for undergraduate and graduate students in teacher education and educational leadership preparation programs as well as experienced teachers school administrators and families with school aged children

Autobiographical Writing and Identity in EFL Education Shizhou Yang, 2013-09-11 The book explores the pedagogical potential of autobiographical writing in English as a foreign language approaching the topic from an educational longitudinal dialogical and social perspective Through a number of case studies the author delineates four phases that EFL writers may experience in their identity construction processes illustrating the complexity of EFL writers social identities This book will provide a valuable resource for language teachers and researchers

interested in the pedagogical applications of autobiographical writing When A Community Weeps Ellen S. Zinner, Mary Beth Williams, 2013-06-17 *When a Community Weeps* provides a model for effective counselor intervention in bereaved communities Individual chapters have been written by traumatologists psychiatrists psychologists social workers and family members who have witnessed the effects of traumatic events first hand Each chapter presents a specific traumatic event and gives perspectives on how these events affected the individuals involved as well as the community as a whole **Case Studies in Palliative and End-of-Life Care** Margaret L. Campbell, 2012-08-02 *Case Studies in Palliative and End of Life Care* uses a case based approach to provide students and practitioners with an important learning tool to improve critical thinking skills and encourage discussion toward improving experiences for patients and their families The book is organized into three sections covering subjects related to communication symptom management and family care Each case is presented in a consistent logical format for ease of use highlighting key evidence based concepts including the case history care setting diagnosis and prognosis assessment treatment considerations and family support A key reference *Case Studies in Palliative and End of Life Care* is an invaluable resource for clinicians who provide palliative care to patients with life limiting illnesses and those at the end of life along with their families **Research in Education** , 1974 The Mourner's Companion Robert Gordon (D.D., Minister of the Free High Church, Edinburgh.), 1824 **The Mourner's Dance** Katherine Ashenburg, 2004-09-01 When her daughter's fiancé died suddenly Katherine Ashenburg was surprised to see how her daughter intuitively re-created the traditional rituals of mourning even those of which she was ignorant Intrigued Ashenburg began to explore the rich and endlessly inventive choreographies different cultures and times have devised to mark a universal and deeply felt plight Contemporary North American culture favors a mourning that is private and virtually invisible But as Ashenburg reveals the grieving customs of the past were so integrated into daily life that ultimately they gave rise to public parks and ready to wear clothing Our keepsakes prescribed bereavement garb resting places mourning etiquette and ways of commiserating from wakes to Internet support groups remain clues to our most elemental beliefs and our most effective means of restoring selves and communities unraveled by loss **Case Studies in Cultural Anthropology** , 1960 *The Meanings of Death in Rabbinic Judaism* David Kraemer, 2002-01-04 There are many books devoted to explicating Jewish laws and customs relating to death and mourning and a wealth of studies addressing the significance of death practices around the world However never before has there been a study of the death and mourning practices of the founders of Judaism the Rabbis of late antiquity *The Meanings of Death in Rabbinic Judaism* fills that gap The author examines the earliest canonical texts the Mishnah the Tosefta the Midrashim and the Talmud of the Land of Israel He outlines the rituals described in these texts from preparation for death to reburial of bones and the end of mourning David Kraemer explores the relationships between the texts and interprets the rituals to uncover the beliefs which informed their foundation He discusses the material evidence preserved in the largest Jewish burial complex in antiquity the catacombs at

Beth Shearim Finally the author offers an interpretation of the Rabbis interpretations of death rituals those recorded in the Babylonian Talmud The Meanings of Death in Rabbinic Judaism provides a comprehensive and illuminating introduction to the formation practice and significance of death rituals in Rabbinic Judaism **Symbolic Loss** Peter Homans,2000

Historically many world cultures have linked three disparate phenomena collective loss mourning and the construction of monuments and cultural symbols to represent the loss over time and render it memorable meaningful and thereby bearable In a century of great loss observers of western culture have commented on the decline of mourning practices and the absence of their associated rituals The ten essays assembled here by Peter Homans represent in a genuinely interdisciplinary way the recent work of scholars attempting to understand this trend Arranged in sections on cultural studies architecture history and psychology this accessible collection can serve as an introduction to the uses of mourning in contemporary cultures Contributors Paul A Anderson University of MichiganDoris L Bergen University of Notre DameMitchell Breitwieser University of California BerkeleyPeter Homans University of ChicagoPatrick H Hutton University of VermontMarie Claire Lavabre National Institute for Scientific Research ParisPeter C Shabad Northwestern University Medical School and Columbia Michael Reese Hospital and Medical CenterLevi P Smith Art Institute of ChicagoJulia Stern Northwestern UniversityJames E Young University of Massachusetts Amherst Practical Psychoanalysis for Therapists and Patients

Owen Renik,2010-09-07 A clear and readable how to manual for results oriented psychoanalysis By now the term practical psychoanalysis has become an oxymoron The way psychoanalytic treatment is generally conducted is extremely impractical and doesn't serve the needs of the vast majority of potential patients who want to achieve maximum relief from emotional distress as quickly as possible This unfortunate state of affairs is ironic considering that psychoanalysis became popular on the basis of its therapeutic efficacy In this essential new book Owen Renik describes how clinical psychoanalysis can focus on symptom relief and deliver results efficiently With a humane direct and engaging voice he takes up how to begin treatment how to end it and how to deal with the in between He offers chapters on the therapy of panic attacks and depersonalization on how to get out of an impasse on the relation between sexual desire and power in the analytic relationship on patients who seem to want to sabotage their treatments on flying blind as an analyst and on a number of other intriguing important practical topics Renik's down to earth presentation and discussion of clinical anecdotes combined with useful recommendations for both analyst and patient amounts to a clear and readable how to manual The book is intended for all mental health caregivers patients and potential patients and for anyone who is curious about what makes for effective helpful psychotherapy Perverse Feelings Suzanne Ashworth,2022-09-23 Perverse Feelings Poe and American Masculinity examines white masculinity in Poe's fiction and the culture it represents Poe's men are tormented by chronic illness deviant attachments and ugly emotions As it analyzes these afflictions this book illuminates the pathologies of American masculinity that emerged in a terrible history of imperialism capitalism racism misogyny and homophobia One of its central contentions

is that we can better understand a past and present American masculinity through a reckoning with its perverse feelings More pointedly this book asks What does masculinity feel What does white American masculinity feel in the first decades of nation formation What does it feel in the crucible of its revolution its slave system its democracy its nascent capitalism and its pursuit of happiness What feelings besiege and beleaguer Poe s men And what can they teach us about the antagonisms of contemporary white American masculinity

Mourning the Dreams Claudia Malacrida,2016-09-17 Mourning the Dreams is an accessible and moving account of parents experiences of grief and recovery after losing an infant during pregnancy childbirth or within the first month of life Drawing from the sociology of emotions health research and psychology her own experience and a range of qualitative methods Claudia Malacrida finds that bereaved parents not only grieve their child and its unrealized potential but often find their personal experiences are at odds with social forces and prevailing assumptions about the nature of their loss and how they should react to it She explores the meanings parents create as they face denial silence and other reactions from friends family communities coworkers the medical community and even within spousal relationships She also describes the courage and creativity of parents who create and negotiate meanings that help them grieve recover and manage relationships
