Leadership, Work, and the Dark Side of Personality Seth M. Spain, 2019-02-16 Leadership Work and the Dark Side of Personality uses an interpersonal psychological perspective to unite general theories of both personality and leadership By focusing in on the interpersonal the book characterizes social behaviors by their agency how dominant they are and by their communion how relational and nurturing they are It argues that these interpersonal dimensions align closely with the traditional structure of leader behaviors both task related and relationship oriented behaviors and uses those frameworks to orient trait theory for both normal range personality traits and subclinical dark side traits After overviewing the history of leadership theory reviewing normal range personality traits Extraversion Neuroticism Conscientiousness Agreeableness and Openness and subclinical traits such as the Dark Triad Narcissism Machiavellianism and Psychopathy the book moves on to thoroughly bring the perspective of interpersonal psychology to bear on questions of personality and leadership and ends by narrowing in on how the dark side of personality affects the leadership process for better and for worse Discusses the role of personality in job performance and satisfaction Critiques both historical and contemporary leadership approaches Includes lesser known approaches to leadership such as paternalism and empowerment Narrows in on the dark side of personality and the role it plays in the leadership process Distinguishes between effective leaders and successful leaders

Leadership through the Classics Gregory P Prastacos, Fuming Wang, Klas Eric Soderquist, 2013-02-01 The unforeseeably complex socio economic and environmental challenges of the 21st century must be tackled by placing faith in the power of mankind to integrate established wisdom and new knowledge and in our ability to collaborate for a sustainable future Departing from this a global

2011 conference debating papers devoted to the impact of ancient philosophy focusing on Confucius and Aristotle in modern leadership and management was organized by Hanban the Athens University of Economics Business and the University of International Economics Business Beijing China A rich sourcebook for a broad audience this unique volume presents the wide array of conference contributions by international thought leaders Departing from a foundation of general concepts of ethics and leadership the book then delves into questions about how philosophy shape emerging economic and business systems to end with direct lessons from ancient philosophy for contemporary business challenges Zum Ruhme Athens: Wissen zum Wohl der Polis Oliver Stoll,2010-07-05 Xenophon von Athen hat erstmals eine Theorie des idealen Anführers entworfen In seinem gesamten ŷuvre spielt die Menschenführung eine Hauptrolle Die Führungsprinzipien die er formuliert sind zeitlos Stets geht es um die gute Ausübung von Macht um ideale Herrscher und kluge Feldherren um den Triumph von Fachwissen Bildung und Moral Der Hipparchikos Logos der Reiteroberst ist eine praxisnahe Fachschrift zum klugen Verhalten eines Reiterkommandeurs im Dienste und zum Nutzen der Polis Athen in einer Phase schwindender Macht Um 365 v Chr verfasst wird auch in dieser Schrift großer Wert auf Ausbildung und Menschenführung für die Schaffung und Aufrechterhaltung von Disziplin Gehorsam Moral und Identität gelegt Nichts aber gelingt für Xenophon ohne die Götter auch nicht die Führung von Menschen **Empire, Power and Indigenous Elites** Anne Fitzpatrick-McKinley,2015-03-10 Ancient Near Eastern empires including Assyria Babylon and Persia frequently permitted local rulers to remain in power The roles of the indigenous elites reflected in the Nehemiah Memoir can be compared to those encountered elsewhere Nehemiah was an imperial appointee likely of a military administrative background whose mission was to establish a birta in Jerusalem thereby limiting the power of local elites As a loyal servant of Persia Nehemiah brought to his mission a certain amount of ethnic cultic colouring seen in certain aspects of his activities in Jerusalem in particular in his use of Mosaic authority but not of specific Mosaic laws Nehemiah appealed to ancient Jerusalemite traditions in order to eliminate opposition to him from powerful local elite networks *The Wanderer* Edward W. Hudson,2019-04-23 Based on real life events this book is a fictionalized account of Sgt Wesley Foster's life before during and after World War I **Persophilia** Hamid Dabashi,2015-10-12 From antiquity to the Enlightenment Persian culture has been integral to European history Interest in all things Persian shaped not just Western views but the self image of Iranians to the present day Hamid Dabashi maps the changing geography of these connections showing that traffic in ideas about Persia did not travel on a one way street *Performing for the Don* Hank Willenbrink,2023-11-23 This volume examines the intersection of political power and religion during the presidency of Donald Trump through an examination of performance This study begins with an examination of white evangelical Christian support for Trump through readings of the 2018 film The Trump Prophecy based on a book of the same name and The Faith of Donald J Trump a spiritual biography of the former president by veteran Christian reporters David Brody and Scott Lamb White evangelicals Christianized Trump during his run for office in 2016 and Trump's ascension to the presidency broke

down barriers between church and state in service of dominionistic Christian aims This exploration then looks at the conservative Catholicism through an exploration of *Heroes of the Fourth Turning* a finalist for the 2019 Pulitzer Prize for Drama by Will Arbery and Rod Dreher's *The Benedict Option* While Trump's connection to evangelicals is well documented conservative Catholics like Attorney General Bill Barr and Supreme Court Justice Amy Coney Barrett took on pivotal roles during the Trump administration demonstrating the significance of conservative Catholicism to his presidency The author finally examines the cult of Trump on the internet by interrogating the performance of spirituality in pro Trump conspiracy theories like QAnon This book will be of great interest not only to theatre and performance studies scholars but also scholars with interests in political and religious studies

Afghanistan's Experiences Hamid Hadi M.D, 2016-03-24 *Afghanistan's Experiences* is a sweeping analysis of the historic events and interplay between politics religion and terrorism in Afghanistan the southeastern region of the country and beyond The author has vividly explained the origin and the rise of Taliban to power one of the most important sources of turmoil in contemporary time Thus one can perceive how the dynamics of the sinister politics religious extremism and terrorism has culminated in avoidable brutal wars and human tragedies Hamid Hadi has vividly described and put into political debate Afghanistan's history the implications of the Russian invasion of Afghanistan the Americans the Pakistanis and Saudis role in the civil war and the creation of the Al Qaeda that led to the 9/11 tragedy In a unique research and analysis the author has examined the acts of Islamic terrorists against the American people and institutions during the last 176 years and brilliantly deduced that Russian invasion of

Afghanistan was a watershed era in formation of the contemporary terrorism and the failure of both superpowers foreign policy in Afghanistan to a great extent has resulted in growth of the terror network Besides detailed description of the 9 11 tragedy and Iraq war Hamid Hadi has painstakingly brought the world religions and Abrahamic religions in particular into debate and discussed the reform of the Islamic faith

In the Shadow of the Gods Dominic Lieven, 2022-06-07 A dazzling account of the men and occasional woman who led the world's empires a book that probes the essence of leadership and power through the centuries and around the world From the rise of Sargon of Akkad who in the third millennium BCE ruled what is now Iraq and Syria to the collapse of the great European empires in the twentieth century the empire has been the dominant form of power in history Dominic Lieven's expansive book explores strengths and failings of the human beings who held those empires together or let them crumble He projects the power, terror, magnificence and confidence of imperial monarchy tracking what they had in common as well as what made some rise to glory and others fail spectacularly and at what price each destiny was reached Lieven's characters Constantine Chinggis Khan Trajan Suleyman Hadrian Louis XIV Maria Theresa Peter the Great Queen Victoria and dozens more come alive with color, energy and detail their upbringings their loves their crucial spouses their dreadful children They illustrate how politics and government are a gruelling business a ruler needed stamina, mental and physical toughness and self confidence He or she needed the sound judgement of problems and people which is partly innate but also the product of education and experience A good brain was essential for setting priorities, weighing conflicting advice and matching ends to needs A diplomatically astute marriage was often even more essential Emperors and the rare empresses could be sacred symbols, warrior kings, political leaders, chief executive officers of the government machine, heads of a family and impresarios directing the many elements of soft power essential to any regime's survival What was it like to live and work in such an extraordinary role What qualities did it take to perform this role successfully Lieven traces the shifting balance among these elements across eras that encompass a staggering array of events from the rise of the world's great religions to the scientific revolution, the expansion of European empires across oceans, the great twentieth century conflicts and the triumph of nationalism over imperialism The rule of the emperor may be over but Lieven shows us how we live with its political and cultural legacies today

First-Class Leadership Hamid Safaei, 2017-12-08 First Class Leadership is a comprehensive book that all managers and leaders should read The amount of information is second to none A brilliant book based on research and experience brings to the fore everything you need to know about being a first class leader The techniques and advice in this book are simple yet effective you will wonder why you have never done them In First Class Leadership Hamid Safaei discusses specific and actionable points from getting people to believe in your vision, building effective teams, communicating, inspiring, encouraging and developing employees so they give their very best, caring and nurturing your workforce to finding and keeping talent that will take your company to the next level This book will change your perspective on how leaders should lead and how managers should manage Inspired by icons

such as Mahatma Gandhi Bill Gates Elon Musk and Steve Jobs what Hamid Safaei brings together is a wealth of information that will pave the way for everyone to become a first class leader A must read gem on successful and effective leadership Have you ever dreamed of making tough calls in fractions of seconds What does it mean when the author says If it s not a HELL YES it s a NO Why is it important that you remain connected to your biggest WHY What if you don t love what you do How do great leaders hold ground when the going gets tough What does the author of First Class Leadership mean by QPA building blocks which stand for Qualities Principles and Attitudes How have the greatest leaders on Earth mastered premium leadership qualities What is the first thing the greatest leaders do in every new situation What profound leadership lessons can we learn from the rules of nature ruling for millions of years How have greatest leaders built highly effective teams And how do they keep their highfliers happy How did they achieve glory so you can follow in their footsteps These questions and many more have been answered in First Class Leadership

Anachronism and Antiquity Tim Rood,Carol Atack,Tom Phillips,2020-02-06 This book is a study both of anachronism in antiquity and of anachronism as a vehicle for understanding antiquity It explores the post classical origins and changing meanings of the term anachronism as well as the presence of anachronism in all its forms in classical literature criticism and material objects Contrary to the position taken by many modern philosophers of history this book argues that classical antiquity had a rich and varied understanding of historical difference which is reflected in sophisticated notions of anachronism This central hypothesis is tested by an examination of attitudes to temporal errors in ancient literary texts and chronological writings and by analysing notions of anachronistic survival and multitemporality Rather than seeing a sense of anachronism as something that separates modernity from antiquity the book suggests that in both ancient writings and their modern receptions chronological rupture can be used as a way of creating a dialogue between past and present With a selection of case studies and theoretical discussions presented in a manner suitable for scholars and students both of classical antiquity and of modern history anthropology and visual culture the book s ambition is to offer a new conceptual map of antiquity through the notion of anachronism
