Tramps Like Us Joe Westmoreland, 2025-06-03 A spare unflinching generous and lusty masterpiece of adventure writing Andrea Lawlor author of *Paul Takes the Form of a Mortal Girl* A necessary reminder of the beauty of being young and queer and free This book is a gift Imogen Binnie author of

Nevada An achievement in the major category Hilton Als author of *My Pinup* A treasured cult classic following a young gay man crisscrossing 1970s and 80s America in search of salvation Now reissued with an introduction from Eileen Myles and an afterword from the author Abused by his father and stifled by closeted life as a teenager in Kansas City Joe the wide eyed narrator of *Tramps Like Us* graduates from high school in 1974 and hits the road hitchhiking But it isn't until he reunites with Ali his hometown's other queer outcast that Joe finds a partner in crime When the two of them finally wash up in New Orleans they discover a hedonistic paradise of sex drugs and music a world that only expands when they move to San Francisco in 1979 Told with openhearted frankness Joe Westmoreland's *Tramps Like Us* is an exuberantly soulful adventure of self discovery and belonging set across a consequential American decade In New Orleans and San Francisco and on the roads in between Joe and Ali find communities of misfits to call their own The days and nights blur a blend of LSD and heroin new wave and disco orgies and friends and the thrilling spontaneity of youth all of which is threatened the moment Joe Ali and seemingly everyone around them are diagnosed with HIV But miraculously the stories survive As Eileen Myles writes I love this book most of all because it is so mortal Back in print after two decades and with an introduction by Myles and an afterword by the author *Tramps Like Us* is an ode to a nearly lost generation an autofictional chronicle of America between gay liberation and the AIDS crisis and an evergreen testament to the force of friendship
