The U S boasts the highest divorce rate of any country in the world and some of the highest relationship dissatisfaction rates Yet despite the endless amounts of advice and experts available to us we continue to experience increasing levels of frustration conflict emotional breakdown and failure in our relationships What are we missing What continues to elude us What is inherently wrong with our understanding of what makes love relationships work Debrena Jackson Gandy two time national best selling author and founder of The Love Academy addresses these questions and the root causes of this massive breakdown in relationships in our country Most of the advice and models given to American women only address the

symptoms of this epidemic usually applying simplified how to techniques that tend to lead to more confusion than resolution These are band aids and ineffective ones at that The Love Lies delves deeper to unearth ten toxic beliefs that have been instilled in women since pre school influencing us through a wide range of ages and trapping us all in a web of illusions These powerful Love Lies manipulate perceptions create delusions and perpetuate behaviors that unknowingly sabotage our relationships The Love Lies sets women free from chronic cycles of dissatisfaction and disappointment and offers a proven process to dismantle the lies heal the mind and heart and transform the American relationship paradigm forever *Love's Lie* Seye Oke,2006 *The Quarterly Magazine of the Independent Order of Odd-Fellows, Manchester Unity* ,1860 **Odd**
