Hotel Operations Management David K. Hayes, Jack D. Ninemeier, Alisha A. Miller, 2016 Prepare future hotel general managers to efficiently supervise and run a midsize full service hotel Hotel Operations Management provides an up to date and comprehensive examination of all aspects of hotel administration from the viewpoint of the hotel general manager Detailed information addresses the operating departments of a full service hotel Human Resources Controller The Front Office Housekeeping Food and Beverage Safety and Property Security Sales and Marketing Accounting and Facility Engineering and Maintenance In depth discussions highlight the importance of human resources in the labor intensive hotel industry franchising and contract management of properties in an ever decreasing Mom and Pop segment and hotel management in a global environment Updated throughout to ensure that readers have the latest information the Third Edition also includes new case studies an entirely new chapter on guest services and new end of chapter questions This accurate book will give prospective hotel managers insight into all of the procedures effective managers use to ensure their hotel s and their own success

Hotel Operations Management David K. Hayes, Jack D. Ninemeier, Bjorn Hanson, 2025-03 Managers in various departments of a full service hotel hold complex challenging and rewarding positions in the hospitality industry As their hotels on site leaders general managers GMs are responsible for ensuring that every department in their hotel operates smoothly and attains its financial as well as many other goals while meeting their guests needs and optimizing their property s value This fourth edition of Hotel Operations Management has been expanded and revised to help present and future GMs do just that Historically those selected as GMs have had experience in a hotel department such as when an excellent director of sales and marketing receives a promotion to the GM position In this example the new GM will no doubt have an excellent grasp of hotel sales and marketing but will likely lack extensive expertise in food and beverage housekeeping accounting and other critical operational areas Hotel Operations Management Fourth Edition provides important information for individuals such as these Just as an orchestra s conductor will not likely be an expert player of each musical instrument in the orchestra hotel GMs will not have the detailed technical expertise of those managing every department within their property However one key goal of this book is to help GMs learn information necessary to properly supervise and monitor the activities of each department for which they are responsible To illustrate consider the simple case of carpet stains in a guest room corridor This book will not detail the best procedures for removing the stains which is the responsibility of the housekeeping department personnel However the GM must monitor the effectiveness of the housekeeping department and ensure it has the funding supervisory personnel cleaning products and equipment required to keep the carpets clean This book is then a compilation of many of the skills and the knowledge required to effectively supervise activities in a midsize full service hotel that offers a variety of food and beverage services
