## **How Social Movements Die Repression And Demobilization Of The Republic Of New Africa Cambridge Studies In Contentious Politics:**

How Social Movements Die Christian Davenport, 2014-12-22 How do social movements die Some explanations highlight internal factors like factionalization whereas others stress external factors like repression Christian Davenport offers an alternative explanation where both factors interact Drawing on organizational as well as individual level explanations Davenport argues that social movement death is the outgrowth of a coevolutionary dynamic whereby challengers influenced by their understanding of what states will do to oppose them attempt to recruit motivate calm and prepare constituents while governments attempt to hinder all of these processes at the same time Davenport employs a previously unavailable database that contains information on a black nationalist secessionist organization the Republic of New Africa and the activities of authorities in the US city of Detroit and state and federal authorities

### **Racialized Protest and the State** Hank

Johnston, Pamela Oliver, 2020-07-07 Bringing together leading scholars of social movements and protest this volume offers an up to date overview of several of the key ethnic and racial movements in the contemporary United States The organizations strategies and challenges of the Black Lives movement mainstream Black organizations the Mexican American Dreamer groups immigrant rights mobilizations Arab American resistance and White nationalism are all examined by situating them in a rapidly evolving and in many ways increasingly unfavorable state context With empirical studies linked by their dialogue with theories of social movement and protest and in particular recent trends that emphasize the dynamic relations among social movement groups and organizations *Racialized Protest and the State* also considers the multiplicity of state players and the roles of hostile civic actors who oppose the movements challenges A cutting edge analysis of an increasingly important dimension of contentious politics in complex and diverse Western societies this book will appeal to scholars of sociology and politics with interests in social movements nonviolent resistance protest campaigns and ethnic mobilization

*The Poor's Struggle for Political Incorporation* Federico M. Rossi, 2017-09 A study of the poor's movements in response to the ever widening gap between the poor and the state in Latin American politics

Where Did the Revolution Go? Donatella della Porta, 2016-11-28 *Where Did the Revolution Go* considers the apparent disappearance of the large social movements that have contributed to democratization Revived by recent events of the Arab Spring this question is once again paramount Is the disappearance real given the focus of mass media and scholarship on electoral processes and normal politics Does it always happen or only under certain circumstances Are those who struggled for change destined to be disappointed by the slow pace of transformation Which mechanisms are activated and deactivated during the rise and fall of democratization This volume addresses these questions through empirical analysis based on quantitative and qualitative methods including oral history of cases in two waves of democratization Central Eastern European cases in 1989 as well as cases in the Middle East and Mediterranean region in 2011

**Force and Contention in Contemporary China** Ralph A. Thaxton, Jr, 2016-08-04

Why is contemporary China such a politically contentious place Relying on the memories of the survivors of the worst catastrophe of Maoist rule and documenting the rise of resistance and protest at the grassroots level this book explains how the terror hunger and loss of the socialist past influences the way in which people in the deep countryside see and resist state power in the reform era up to the present day repression of the People's Republic of China central government Ralph A Thaxton Jr provides us with a worm's eye view of an unknown China a China that cannot easily or fully be understood through made in the academy theories and frameworks of why and how rural people have engaged in contentious politics This book is a truly unique and disturbing look at how rural people relate to an authoritarian political system in a country that aspires to become a stable world power *Political Repression in Bahrain* Marc Owen Jones, 2020-07-16 From torture to fake news this book lays out how the Bahrain regime has used political repression and violence to fight social movements

**The Oxford Handbook of Peaceful Assembly** Abu El-Haj, Oxford Handbooks, Michael Hamilton, Thomas Probert, Sharath Srinivasan, 2025 The Oxford Handbook of Peaceful Assembly brings together a diverse and multidisciplinary range of experts to provide a critical international overview of the topic It breaks new ground by interrogating key dilemmas relating to the value scope and legal protection of peaceful assembly offering critically needed analysis on assembly qua assembly **Contentious Compliance** Courtenay R. Conrad, Emily Hencken Ritter, 2019 Do international human rights treaties constrain governments from repressing their populations and violating rights In *Contentious Compliance* Courtenay R Conrad and Emily Hencken Ritter present a new theory of human rights treaty effects founded on the idea that governments repress as part of a domestic conflict with potential or actual dissidents By introducing dissent like peaceful protests strikes boycotts or direct violent attacks on government their theory improves understanding of when states will violate rights and when international laws will work to protect people Conrad and Ritter investigate the effect of international human rights treaties on domestic conflict and ultimately find that treaties improve human rights outcomes by altering the structure of conflict between political authorities and potential dissidents A powerful careful and empirically sophisticated rejoinder to the critics of international human rights law *Contentious Compliance* offers new insights and analyses that will reshape our thinking on law and political violence *The Cement of Civil Society* Mario Diani, 2015-05-21 Civil society is frequently conceived as a field of multiple organizations committed to highly diverse causes and interests When studied empirically however its properties are often reduced to the sum of the traits and attitudes of the individuals or groups that are populating it This book shows how to move from an aggregative to a relational view of civil society Drawing upon field work on citizens organizations in two British cities this book combines network analysis and social movement theories to show how to represent civil society as a system of relations between multiple actors Modes of coordination enables us to identify different logics of collective action within the same local settings The book exposes the weakness of rigid dichotomies separating the voluntary sector from social movements civic activism oriented to service delivery from un

civic protest grassroots activism external to institutions from formal professionalized organizations integrated within the system

**Dictators and their Secret Police** Sheena Chestnut Greitens, 2016-08-16 How do dictators stay in power When and how do they use repression to do so Dictators and their Secret Police explores the role of the coercive apparatus under authoritarian rule in Asia how these secret organizations originated how they operated and how their violence affected ordinary citizens Greitens argues that autocrats face a coercive dilemma whether to create internal security forces designed to manage popular mobilization or defend against potential coup Violence against civilians she suggests is a byproduct of their attempt to resolve this dilemma Drawing on a wealth of new historical evidence this book challenges conventional wisdom on dictatorship what autocrats are threatened by how they respond and how this affects the lives and security of the millions under their rule It offers an unprecedented view into the use of surveillance coercion and violence and sheds new light on the institutional and social foundations of authoritarian power

**When States Come Out** Phillip Ayoub, 2016-05-03 Focusing on the transnational LGBT movement that has gained unprecedented momentum this study is a timely contribution to debates both scholarly and popular

*How Social Movements Die* Christian Davenport, 2015 This book argues that social movement death is the outgrowth of a coevolutionary dynamic whereby challengers influenced by their understanding of what states will do to oppose them attempt to recruit motivate calm and prepare constituents while governments attempt to hinder all of these processes at the same time

**Violent Conjectures in Democratic India** Amrita Basu, 2015-06-30 This study examines the political sources of violence against religious minorities in India Focusing on Hindu organizations that have asserted dominance over religious minorities particularly since the late 1980s Amrita Basu questions the common assumption that Hindu Muslim violence is inevitable

**Meaningful Resistance** Erica S. Simmons, 2016-05-31 Meaningful Resistance explores the origins and dynamics of resistance to markets through an examination of two social movements that emerged to voice and channel opposition to market reforms Protests against water privatization in Cochabamba Bolivia and rising corn prices in Mexico City Mexico offer a lens to analyze the mechanisms by which perceived market driven threats to material livelihood can prompt resistance By exploring connections among marketization local practices and political protest the book shows how the material and the ideational are inextricably linked in resistance to subsistence threats When people perceive that markets have put subsistence at risk material and symbolic worlds are both at stake citizens take to the streets not only to defend their pocketbooks but also their conceptions of community The book advances contemporary scholarship by showing how attention to grievances in general and subsistence resources in particular can add explanatory leverage to analyses of contentious politics

*Parties, Movements, and Democracy in the Developing World* Nancy Bermeo, Deborah J.

Yashar,2016-12 A comparative study of the role of political parties and movements in the founding and survival of developing world democracies     **The Oxford Handbook of Terrorism** Erica Chenoweth,Richard English,Andreas Gofas,Stathis N. Kalyvas,2019-03-14 The Oxford Handbook of Terrorism systematically integrates the substantial body of scholarship on terrorism and counterterrorism before and after 9 11 In doing so it introduces scholars and practitioners to state of the art approaches methods and issues in studying and teaching these vital phenomena This Handbook goes further than most existing collections by giving structure and direction to the fast growing but somewhat disjointed field of terrorism studies The volume locates terrorism within the wider spectrum of political violence instead of engaging in the widespread tendency towards treating terrorism as an exceptional act Moreover the volume makes a case for studying terrorism within its socio historical context Finally the volume addresses the critique that the study of terrorism suffers from lack of theory by reviewing and extending the theoretical insights contributed by several fields including political science political economy history sociology anthropology criminology law geography and psychology In doing so the volume showcases the analytical advancements and reflects on the challenges that remain since the emergence of the field in the early 1970s     **Party in the Street** Michael T. Heaney,Fabio Rojas,2015-02-02 Party in the Street explores the interaction between political parties and social movements in the United States Examining the collapse of the post 9 11 antiwar movement against the wars in Iraq and Afghanistan this book focuses on activism and protest in the United States It argues that the electoral success of the Democratic Party and President Barack Obama as well as antipathy toward President George W Bush played a greater role in this collapse than did changes in foreign policy It shows that how people identify with social movements and political parties matters a great deal and it considers the Tea Party and Occupy Wall Street as comparison cases     Navigating Civil Resistance Johannes Vüllers,2024-12-23 While civil resistance campaigns are often initiated by a small number of organizations that receive broader social support many groups are active during periods of campaigning without belonging to the main organizing group Navigating Civil Resistance focuses on the mobilization dynamics of numerous non campaign organizations in times of civil resistance developing a theoretical framework that offers an account of nonviolent and violent resistance campaigns as sustainable challenges to the current political system and the manner in which different organizations characteristics affect their perception activities goals and resources Employing a mixed methods longitudinal approach based on unique quantitative and qualitative data for contentiously active organizations in Nepal covering a 20 year period it shows how the mobilization dynamics of non campaign organizations change in times of civil resistance With a focus on organizations the author examines the emergence of new organizations in times of resistance the ways in which groups goals align or otherwise during different periods of resistance whether violent or nonviolent and how their use of resources and tactics vary An original contribution to our understanding of the societal dynamics of civil resistance which is characteristic of many countries in the global south Navigating Civil Resistance will appeal to scholars of sociology and

politics working at the intersection of contentious politics civil resistance and peace and conflict studies Terrorism, Politics, and Human Rights Advocacy Temitope B. Oriola, 2024-03-15 Terrorism Politics and Human Rights Advocacy provides an insider outsider analysis of the BringBackOurGirls BBOG movement Formed through a coalition of elite women and middle class allies to advocate for the rescue of over 200 high school girls from Chibok Nigeria who were kidnapped by Boko Haram in 2014 the movement is a global leader in the lives matter advocacy and a new episode in African women led rights movements Based on data garnered from over 170 research participants Oriola demonstrates how the BBOG transformed the Chibok kidnapping into an international cause and a social problem in a sociological sense inadvertently creating a social problem industry The volume provides in depth analyses of the organizational structure decision making repertoire of protest framing internal dynamics and divisions within the BBOG Far more than a social media phenomenon the BBOG deploys a hybridized communication process which seamlessly combines the time space compression of social media with the relative fidelity and territoriality of traditional media State repression against the BBOG and response of movement actors are also articulated and the outcomes and impact of the BBOG explicated The BBOG experience speaks to the texture of the African state and its military architecture party politics and challenges to human rights advocacy the findings speak to peace and security in Africa the war against terrorism in the Lake Chad Basin perpetuation of social problems and outcomes of social movements in the postcolony Oxford Studies in African Politics and International Relations is a series for scholars and students working on African politics and International Relations and related disciplines Volumes concentrate on contemporary developments in African political science political economy and International Relations such as electoral politics democratization decentralization gender and political representation the political impact of natural resources the dynamics and consequences of conflict comparative political thought and the nature of the continent's engagement with the East and West Comparative and mixed methods work is particularly encouraged as is interdisciplinary research and work that considers ethical issues relating to the study of Africa Case studies are welcomed but should demonstrate the broader theoretical and empirical implications of the study and its wider relevance to contemporary debates The focus of the series is on sub Saharan Africa although proposals that explain how the region engages with North Africa and other parts of the world are of interest Series Editors Nic Cheeseman Professor of Democracy and International Development University of Birmingham Peace Medie Senior Lecturer in Gender and International Politics University of Bristol and Ricardo Soares de Oliveira Professor of the International Politics of Africa University of Oxford
